

FRUSTRATE FIENDISH PLOT TO LOOT NEW YORK, WRECK CATHEDRAL AND KILL MILLIONAIRES

REIGN OF TERROR WAS TO HAVE BEEN INAUGURATED; BOMB THROWER ARRESTED

New York, March 2—An attempt to blow up St. Patrick's cathedral with a bomb today and the arrest of two men by detectives who had been informed for months of their activities, was followed by an announcement made at police headquarters that the arrests had balked an anarchist plot to kill with bombs Andrew Carnegie, John D. Rockefeller, John D. Rockefeller, Jr., and other wealthy men. Thereafter the anarchists, according to the police were to inaugurate in New York City a reign of terror comparable only to the days of the French revolution.

It was part of the plot, the police assert, for gangs of men armed with rifles and revolvers to appear simultaneously in various parts of the city to shoot and to pillage; the biggest banks of New York City were to be blown up and many wealthy men were to be slain.

Looting and Pillaging Of City Are Planned For

The wrecking of the cathedral was to be the signal for the opening of the elaborate campaign of murder and looting. The next move, according to the police, was to place the bombs in the homes of Andrew Carnegie, the Rockefellers and Cornelius Vanderbilt. So far had the plot progressed, toward this end, that the manufacture of the bombs, the police say, had already been started.

With these and other capitalists disposed of the anarchists planned, according to the police, to invade the financial district and lay their bombs in the city's biggest banks. General looting was to follow.

Detective Works In

Inner Circle of Anarchists

For months a central office detective had worked in the inner circle of the anarchists, according to the police story, and had kept the detective bureau advised of all their plans. This detective, Frank Baldo, assisted in the manufacture of the bomb with which the attempt was made today to blow up the cathedral. The detective accompanied the bomb thrower to the edifice and sat with him while he lighted the bomb and hurled it at the altar.

800 In Cathedral

Immediately the cathedral, in which 800 persons sat at worship became alive with detectives whose presence had been unsuspected by the bomb carrier. Baldo, sitting beside him, placed him under arrest; detectives sitting in the pew behind, dashed into the aisle and stamped out the sputtering fuse. The congregation hardly realized what had happened when it was all over and there was no panic.

At police headquarters the bomb thrower said he was Frank Abarno, a lithographer, 24 years old. Soon after he was taken to headquarters, detectives acting upon information given them by Baldo, arrested Charles Carbone, an 18-year-old boy, and charged him with complicity in the plot and with helping to make the bomb.

Detectives Occupy Points

Of Vantage In Cathedral

When Abarno entered the cathedral door, his bomb in a

160 MEN ENTOMBED IN W. VA. MINE; RESCUERS AT WORK RECOVER TWO

Hinton, W. Va., March 2.—An explosion occurred in the mine of the New River and Pocahontas Consolidated Coal company three miles from Thurmond, W. Va., at 8:30 o'clock today. The mine connects with another mine, each employing 80 men, all of whom are believed to have been in the pits when the explosion occurred.

Assistance was hurried to the living but unconscious. His legs had been broken. He probably will die.

As the day wore on, additional volunteers entered the mine, and by noon two forces of twenty men each were clearing away the fallen coal and rock in the main entry of mine No. 3. Half a mile from the opening they came across another miner, badly hurt and unable to tell anything about the explosion.

Here they encountered a mass of debris and it was said that two or three hours must elapse before it could be removed and the workings beyond penetrated.

EACH WANTS TO BE "ASSISTANT MAYOR"

Mrs. William Hale Thompson (top) and Mrs. Robert M. Switzer.

These women are the wives of the two candidates for mayor of Chicago. Owing to the fact that Illinois has equal suffrage, Mrs. Thompson and Mrs. Switzer are playing an important part in the campaign.

PRESIDENT SAYS NO NATION HAS RIGHT TO ALTER WAR RULES

London, March 2.—Sir Edward Grey, the British foreign secretary, declined today to make public the full correspondence which has passed recently between Great Britain and the United States, including the text of the American note concerning the German naval war zone.

Washington, March 2.—The United States will send a note to Great Britain and France in answer to the one received yesterday, inquiring what means will be taken in carrying out the policy of holding up supplies being carried to and from Germany. President Wilson told callers today that the British-French note outlined in very general terms a policy but did not define the means of carrying it into effect.

President Wilson refused to discuss the subject in detail but said that no nation has the right to change the rules of warfare because the methods of war have changed. He indicated that the United States will not change its previously announced position but will continue to make efforts to have the belligerents respect American shipping of a non-contraband character.

The president said it was not clear in his mind whether the

(Continued On Page 6)

VOTE TODAY ON SHIP BILL

Washington, March 2.—When the administration ship bill was brought into the house again today, Republican leader Mann at once blocked all proceedings with a filibuster and the upshot of it was the Republicans and Democrats agreed to vote on it at 4:30 o'clock this afternoon and take up other business in the meantime.

REPORT EVELYN'S CREW ALL SAVED

Washington, March 2.—American Consul Fen, at Bremen, reports all members of the crew of the American steamship Evelyn, sunk by a mine in the North Sea, are safe, except one German. There were fears that Captain Smith and a boat load had been lost.

ACCEPTS CARNEGIE'S OFFER

Toledo, March 2.—The council last night accepted the offer of the Carnegie Corporation of New York, to build four branch library buildings for the city, to cost \$125,000, on the condition that the city provide the sites and at least \$12,500 a year for the maintenance of the libraries.

DON'T blame me—I can't help it. When I glance out of my window at the dancin' sunshine on the folks walkin' around enjoyin' it I simply swell up big with pride. It's somethin' 't he of service 't folks at any time but the joy o' givin' 'em weather like this is what makes a weather job with while. Here's for tomorrow.

Ohio—Partly cloudy tonight and Wednesday. Slightly colder tonight in northwest portion. Kentucky—Partly cloudy to night; Wednesday cloudy. West Virginia—Partly cloudy tonight and Wednesday.

RUSSIANS CLAIM TO HAVE ROUTED ENEMY

GALE HALTS ATTACK ON TURKISH PORTS

London, March 2.—Operations of the French and British fleets against the Turkish fortifications on the Dardanelles, which during the past week had taken the warships of the allies some 15 miles through this well-defended and narrow waterway are at a standstill today on account of a gale of wind accompanied by a heavy mist which hinders the efficient manueuvring of the naval gunners necessary to reduce the second line of forts concealed by the hills. This respite is likely to prove of benefit to the Turks, but the allies, realizing the necessity of pushing any Oriental offensive movement with energy, will resume the attack as soon as possible.

STATE LIQUOR MEN FIGHT SUNDAY CLUBS

Cleveland, March 2.—Brewers, wholesale liquor dealers and retailers today served notice on 3,200 social, political, athletic and pleasure clubs that they will refuse to sell intoxicants to any of them in large quantities in the future. The liquor organizations take the position that these clubs "are speakeasies."

This action followed notice to retail liquor dealers from the liquor license commissioners that they will forfeit their license if evidence is presented showing that they continue to sell to Sunday clubs.

A report reached here that the state liquor license commission planned to send detectives here to raid the Sunday clubs in search of intoxicants.

The action of the liquor dealers was said to be their first move to combat efforts of the drys to bring about state-wide prohibition. Under the agreement reached by the liquor organizations today no person will be able to buy more than a gallon of whiskey without proving that it is not for a speakeasy. Neither will a brewer sell more than two cases of beer without asking similar proof.

WHEAT TAKES A TUMBLE

Chicago, March 2.—Notwithstanding the wheat market today rallied somewhat from yesterday's big break, acute weakness again appeared and a new smash in value followed. Before the last hour of trading, extreme losses of 6 1/2 had been recorded. May delivery falling to 141 1/2 as against 147 1/2 last night.

Rumors that Turkey was about to sue for peace had much to do with the fresh setback.

The close, nevertheless, was decidedly unsettled at 1 1/2 to 5 1/2 under last night.

SERBIA PROTESTS

Sofia, March 2. (Via Berlin and Wireless to London)—Premier Radostavoff has sent an identical note to the Austrian, Russian and Serbian embassies, protesting against the damage done by mines planted in the Danube and which have been washed against Bulgarian territory bordering on the river.

CHILLICOTHE CASE BEFORE U. S. COURT

Cincinnati, March 2.—Twenty years after her husband filed his suit for \$3,500,000 against the Chesapeake and Ohio Railroad company, Mrs. Geo. D. McKell, widow of a Chillicothe banker, was in court again today at the fourth hearing of the case, this time in the United States circuit court of appeals.

Breach of contract, involving what McKell alleged was an agreement with the railroad to co-operate

Will Consider Ohio Liquor Questions

Columbus, March 2.—The supreme court decided today to review a Union county liquor case which will bring supreme court opinions on some important questions regarding sections of the liquor license law.

The case, last heard in the court of appeals of Union county, is that of the state against Henry Bayer, a Columbus dealer, who was convicted by the probate court of Marysville of shipping liquor into

VOLCANO ACTIVE

Redding, Calif., March 2.—Streams of mud have been emitted from the main crater of Lassen peak during the last few days, according to reports reaching here today from Macomber Flat and Shingletown. A streak of viscous black was reported by observers as extending from the crater to the timber line. It was a mile long and about 20 feet wide.

CUT RIVER BILL TO AID WAR DEPT

Washington, March 2.—Administration Democrats today agreed on a program to cut the river and harbor bill to \$25,000,000 to be expended by the war department for present projects. Work on the Mississippi from the head of the passes to the mouth of the Ohio would be done in accordance with the plans of the Mississippi river commission.

AGREE ON TWO BATTLESHIPS

Washington, March 2.—Conferees on the naval bill agreed on two battleships, two submarines of ocean-going type, sixteen coast defense submarines, six or more torpedo boat destroyers and one oil fuel ship. The senate amendment appropriating \$1,000,000 toward construction of an armor-plate factory was stricken out.

Columbus, March 2.—William L. Pinley, Democratic state chairman, acted as inspector for the blue sky bureau of the state banking department last December, making a trip to Florida and Mississippi. Joseph H. Harper, head of the blue sky bureau testified today before the Winous committee investigating the bank-

Dined At Findeis'

The delegates to the Seven Wise Men convention dined at the Findeis restaurant, Tuesday.

Carl Black In The City

Carl Black, Portsmouth high school graduate, who has been in Colorado Springs for eight months came to the Peerless City Tuesday from Columbus to visit friends for a few days. His parents, Mr. and Mrs. J. A. Black and family went to Colorado Springs over a year ago in order to improve Mr. Black's health.

Carl is a former Times boy and his first stop after arriving in the city was at the Times office. He says that they will likely move back to Portsmouth in April.

TO STOP HEADACHE

Head ache usually comes from a sluggish liver and bowels. If you feel bilious, dizzy or tongue is coated and stomach sour, just get a 10-cent box of Cascarets to start your liver and bowels and your headache will end.

Save Small Change

You can save your small change, quarters, dimes, nickels and pennies, in one of four "Ideal Oval" Pocket Banks which we are loaning to our patrons.

You can use one if you will leave a dime with us until you make your first deposit. The dime is then credited on your book.

We will open the bank for deposit as often as you bring it in. We have the key.

Your savings will draw four per cent interest compounded every three months.

Bess May Reform?

The colored clergy are still busy trying to convert Bess Hurd and they do say with some hopes for success.

Rev. J. W. H. McCoomer is believed to have created an impression upon the wayward girl and there is now talk of sending her to some rescue home instead of the workhouse. The nuns of several who have been furnished to the mayor as those responsible for Bess' downfall continually furnishing her with liquor and they will be warned that arrests will surely follow if they ever repeat the practice again.

Baby Scalded

John, a 3-year-old son of John Schmidt a merchant tailor of Sinton street, was frightfully scalded from the thigh down when an older brother accidentally upset a tea kettle of boiling water upon him Monday evening. The child was resting earlier Tuesday.

WILL HELP "LAW COMPLIANCE"

Through the thoughtfulness and progressiveness of Druggist Frank C. Miller, local physicians will find it easy to comply with the provisions of the Harrison act governing the sale of narcotics. The law requires that copy of the prescription must be kept by the physician issuing it, while the original must be kept on file by the druggist filling it. Mr. Miller has had printed prescription blanks with all necessary information thereon, and has arranged them in duplicate with the necessary carbon paper between. He was busy Tuesday distributing them among the physicians, who were glad to get them.

HUTCHINS ST. REVIVAL

Class No. 7 of the Hutchins St. Baptist church met last night at the home of Miss Viennie Conkel, on High street, where the class spent an hour in a business session. It was voted to donate the money which we received from the entertainment to the church for which it was to be sent to the state board. There was also lookout committees appointed to see after the scholars that do not attend regularly. After the business hour a short time was spent in sewing which followed with a taffy pulling. Those present were: Ione Buchanan, Margaret Pyles, Edith Prior, Ollie Leonard, Unice Kent, Elsie Dodels, Sadio Leppin, Anna Burke, Gladys Weber, Blanche Rollins, Charlotte Larkins, Ananna Lewis, Ruth Kratzer and Viennie Conkel. The visitors were Margaret Prior, Mand Kratzer, Lizzie Conkel, Mrs. Elizabeth Southworth, Mr. Clyde Buchanan and Mr. and Mrs. W. A. Conkel. The next meeting of the class will be at Miss Margaret Pyles' on Summit street.

The revival services will begin tonight at the Hutchins Street church with Rev. J. W. Wynn in charge. Next Sunday Rev. Will Crabtree will join Rev. Wynn. Everybody is welcome to come and attend the meetings.

Recovers Watch

The watch stolen from J. H. Sayers, of Bokun, W. Va., by a negro named Charles Haley, was recovered by Chief McCarthy, at Joe Reiser's pawn shop, the loser sending \$3.25 to redeem the timepiece.

Afraid of Kidney Trouble--the Remedy

In 1908 I was taken very sick with kidney trouble and being afraid, I went to a prominent physician at Libertyville, Iowa. After doctoring for some time without cure or relief I began the use of Swamp-root and found immediate relief. After using several bottles which I bought of Joseph's Drug Store of Fairfield, Iowa, I became a well man and can honestly say that I have never had any signs or return of any kidney trouble. I am so grateful toward your medicine that I never hesitate to recommend it to anyone I know who is suffering with kidney trouble.

Yours very truly,
 MAJOR CLINTON BEARD,
 Fairfield, Iowa.

Subscribed and sworn to before me by the said Major Clinton Beard and the signature acknowledged to be genuine by him this 12th day of July, 1908.
 CHARLES S. GAIL,
 Notary Public,
 In and for said County and State.

MR. PETTINGALL INJURED

Edward E. Pettingall, a well known agent of the Singer Sewing Machine Company, had the misfortune to fracture his right ankle, Tuesday afternoon.

Mr. Pettingall was at South Portsmouth at a point about opposite the water works when he slipped on a stone with the above result. Some pedestrians helped him into his buggy and he drove to his home No. 1729 Fifth street, where physicians attended him.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or get naturally, has stomach-aching, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and happy child again. All children love this harmless, delicious "Fruit Laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages, and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the California Fig Syrup Company.

READ WILL BE AT MEETING

Robert W. Head, of Columbus, president of the Ohio State League, passed through Portsmouth, Tuesday at noon on his way to Huntington, W. Va., where he will look over the baseball situation with a view of interesting the fans of that city in a state league franchise the coming season. He stated at the train that three or four men in that city had signified a desire to back a team this year, and he was on his way to investigate the proposition.

President Read was met at the train by Scout Billy Doyle, of this city, who had an earnest chat with him before the train pulled out. The former will return to Trenton, Wednesday morning in time to preside over a meeting of the State League magnates, called for that time. President Will Gableman, William Zottman and Billy Doyle will attend from this city.

The Movies

Features At Lyric Theatre

Clara Kimball Young, assisted by Earle Williams, Harry Morey, L. Rogers Lytton and a star cast, in Richard Henry Savage's five-part drama of Russian life, "My Official Wife," is a film story that electrified Broadway audiences for four solid months at the Vitagraph theatre, New York City. Miss Young, by her excellent work as Helene Marie, Queen of Nihilists, in this sensational photo play, won the right to be classed as a Broadway star, her youth, beauty and talent forming a combination of attributes that New York audiences require of an artist before acknowledging their right to stardom. "My Official Wife" was originally a "best seller," dramatized for the stage and popularly presented with a cast including Minnie Seligman and Robert Hilliard. The story is intense in its dramatic power, ascribing the attempt of the beautiful Nihilist to assassinate the Czar, using a susceptible American as a foil in order that she may cross the frontier and carry out her designs while in St. Petersburg. Her plans are successful up to the supreme moment when the American prevents her from destroying his Royal Highness. Helene, now known to the Russian secret police, plans escape by inducing a Russian nobleman to elope, but they meet their death in one of the most breath-taking scenes photographed for the screen, the blowing up, by a torpedo, of a palatial pleasure yacht, in which they are trying to run the gauntlet of Russian vigilance. "My Official Wife," will be the attraction at the Lyric Thursday.

At The Exhibit
 A big program with special music all for five cents is being offered at the Exhibit tonight. There will be two reels of Zudora in "The Twenty Million Dollar Mystery." There there will be a cracker-jack Keystone comedy entitled "Hogan's Annual Spree." In addition to this Manager Law is offering special music furnished by one of the best orchestras in the city composed of Miss Law and Messrs. Gilbert and Hanson. In addition Miss Virginia Gilbert will render a solo on a saxophone.

At The Arena
 The big feature tonight is "The Mystery of the Throne Room." Two thousand feet of mystery that you should never miss. It is a mystery that will hold you spell-bound for thirty minutes. The third reel is "Winning the Prize," another exciting picture. Every night is feature night at the Arena and the increasing crowds testify of the popularity of Manager Potts' offerings. Remember, an admission of but five cents entitles you to see these great shows. A strong bill is always offered at the Arena, and the pictures are clear and distinct, while the music is exceptionally high class. Be an Arena booster--and the best method.

Animal Picture At Brady
 At the Brady theatre tonight will be a two reel animal feature. It is a story of the African jungle full of thrills and excitement. Marie Watson and William Clifford, two 101 Bison stars, appear in this picture. The third reel will be a drama of intense emotion entitled "The Cracksmen's Reformation." The last reel is a good Sterling comedy, "Love and Water." Keep in mind the Master Key every Saturday.

Columbia Tonight

Bowler's Big Benefit Tomorrow
 An especially good program will be shown at the Columbia this evening. The first picture "Oh Where Is My Wandering Boy To-Night" is a special two reel picture reproducing that old familiar song by the same name. The second picture on this evening's program is "The Little Engineer," another of those thrilling railroad pictures that we have been showing every Tuesday. Tonight's picture is especially thrilling, as it shows a child while playing on a locomotive accidentally starts it, and the entire train is finally rescued just in time to prevent a horrible collision with another train.

Tomorrow, Wednesday, "The Man on the Box," a most interesting picture by the Famous Players in five reels will be the big feature. Almost everyone knows what an interesting play this was and the pictures are even more interesting than either the play or the book. Manager-Tynes has consented

Mealtime

Should always find you waiting with a hearty appetite--And your condition should enable you to enjoy your food.

A "don't care" or a "no thank you" disposition indicates--A lazy liver, clogged bowels or impaired digestion.

HOSTETTER'S STOMACH BITTERS

Will tone and sweeten the stomach and bowels--Regulate the appetite, assist the digestion--Help Nature in every way towards improving your general health. Try a bottle today, but be sure you get Hostetter's.

THEATRICAL

The Sun

The Barrett Players presented "A Woman's Way" to two well pleased audiences yesterday. It is as billed, a dressy society comedy and the remark was made by several that they liked it the best of anything yet played by the stock company. Miss Anna May is making another personal hit in the name part. Miss Earle as Mrs. Blakenore, Miss Hill as Mrs. Livingston, and Miss Leonard as Mrs. Livingston, Jr., were all particularly pleasing.

Mr. L. Benz certainly earned his share of appreciation, being very good as the little husband, as for the rest of the cast they could hardly be improved. Mr. Carrell is a good fellow again, and shares the comedy with Mr. Morris. Mr. Fair and Mr. Munthe.

No wonder the fair sex go to see "A Woman's Way," for it teaches them how to handle their husbands.

The dressing was beautiful throughout, and it's funny, it's a laughing hit.

In "Work and Wages," which is the next play, Mr. Charles Unit of the Barrett Players, will produce another electrical effect that is said to be well worth seeing to see.

NEW BOSTON

The revival meeting at the Baptist church last night was extra good. More enthusiasm is being manifested by the members in the meetings and they will likely continue all of next week. Rev. Beers delivered a splendid sermon on "Punishment." At the close of the meeting four came forward, making a total of 37 converts in eight days. The congregation at the afternoon meeting Monday from two to three o'clock was large. Rev. Beers used as his subject "The Gospel Net." A meeting was held at the same hour this afternoon. Rev. Beers conducted a shop meeting at the Breese plant at noon. A number of the men ask for prayer. Services each evening at 7:15.

Frank Cooper of Cooper Bros. grocery, is moving from Gallia pike to East Rhodes avenue. Steve Martin is confined to his home with a slight illness.

Rev. Frank Wolfe who is a member of council, was not able to be present on account of the services at the First Christian church on Cedar street. The revival has been going on for several weeks with Rev. Wolfe in charge. Several converts come forward each evening.

James Clark, who has been conducting a barber shop in the Bennett building on Gallia pike, will move back to Sciotoville in a few days. A room has been fixed up in the Russ building in Sciotoville and Clark will open a shop there in competition with Philip Priek who was formerly in New Boston.

The J. O. U. A. M. held their regular meeting Monday evening and received several applications. Ten members from the city camp were present.

Oscar Holms, bartender at the Copeland and Levine cafe on Gallia pike, is nursing a bull on his back.

Contractors are making line headway on the three room frame addition Tom York is having built to his cottage on Gallia pike.

Mrs. Will Gibbs is suffering with a bad cold on her right arm.

Ira Shafter, who formerly lived in the village, moved Tuesday from Front street, city, to Gallia pike, near the Buchanan blacksmith shop. Shafter is conducting a shop on Gallia pike and Harrisonville avenue.

Mayor J. S. Davis will turn over his theatre Friday night to Birch Hunt's class of twenty-one girls of the Christian church. The class will use the proceeds for an Eastern offering.

The Ladies' Aid society of the Baptist church will hold an all day's meeting in the basement of the church Thursday. Quilling will occupy the members' time in the morning and the regular business session will be held in the afternoon.

Frank Adkins, 17-months-old son of Mr. and Mrs. Thomas Adkins of West Grace street, is recovering from a two week's confinement caused by badly burning his hands.

Ex-Mayor J. Morgan is confined to his home, 51 East Grace street with a slight illness. Mr.

Anticipation of Motherhood
 There is apt to be a latent apprehension of distress that the completion of pregnancy, that the coming of a new member to the family, may mean a great deal to the mother. This is an entirely natural feeling, and it is one that should be met by the mother. The mother should be prepared to meet the coming of a new member to the family. The mother should be prepared to meet the coming of a new member to the family. The mother should be prepared to meet the coming of a new member to the family.

LADIES! SECRET TO DARKEN GRAY HAIR

Bring back color, gloss and thickness with Gray's Secret of Sage and Sulphur.

Common garden sage, brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. Ask dealer for Gray's Secret of Sage and Sulphur, costing but 25 cents a large bottle, at drug stores, known as "Gray's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Gray's Sage and Sulphur Compound, you can tell, because it just drenches a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

McGARRY, The Tailor 821 GALLIA

The Markets

NEW YORK STOCK

New York, March 2.—Stocks
pursued an uncertain course to-
day, the foreign situation giving
rise to renewed apprehension.

Latest developments in the in-
ternational situation and the atti-
tude of this government thereto
subordinated all other considera-
tions in the local market. Prices
shaded slightly but the undertone
was firm. The prominence of
New Haven at a further advance
was an unusual feature, that stock
ranking with the leaders in point
of activity. Reading, Union Pa-
cific and United States Steel sup-
plied about forty per cent of the
early trading.

May department stores recover-
ed a part of its recent severe de-
cline, but specialties at a whole
were neglected. Bonds were irreg-
ular, with more future sales at
concessions.

Stocks continued to reflect the
cautious attitude of traders at the
outset of today's market, price
changes being of a mixed charac-
ter. Union Pacific, Northern Pa-
cific and Lehigh Valley were frac-
tionally lower, while Canadian Pa-
cific and New York Central, New
Haven and Ontario and Western
made substantial gains. Special-
ties showed a better tone. Deal-
ings were in much smaller volume
than on the preceding day. In
the London market Canadian Pa-
cific was the only international is-
sue to manifest strength.

Extensive buying of Reading
resulted in another general rise in
the final hour. The notable ex-
ceptions were distillers issues, the
stock and bonds scoring five point
declines. The close was steady.

CHICAGO GRAIN

Chicago, March 2.—Wheat
prices developed comparative
strength today after showing
much nervousness at the start. The
fact that Liverpool quotations did
not fully respond to yesterday's
severe breaks on this side of the
Atlantic had a good deal to do
with restoring some measure of
confidence to the bulls.

Decreasing stocks in the north-
west counted also against the
beats. The opening which varied
from 1 1/2 off to 1/4 up, was follow-
ed by a material advance all
around.

Trends in corn were mainly be-
tween pit speculators. Prospects
of unsettled weather helped give
the market a lift. After opening
1/2 off to 1/4 up, a like advance
prices scored a moderate general
upturn.

Oats rose with other grain. Buy-
ing, however, was only of a sen-
tinel sort.

Firmness of the hog market
tended to rally provisions. Be-
sides offerings were light, not
withstanding the bullish charac-
ter of the monthly statement as to
warehouse stocks on hand.

Later, all of the gains in wheat
disappeared and the market sagged
heavily with increased selling
pressure and lack of support. Rum-
ors were current that Turkey
was to sue for peace but were sub-
sequently offset to some extent by
large export sales. The close was
unsettled, 1 1/2 in 5/4 down com-
pared with last night.

Weakness in corn set in after-
ward when wheat had a set back
but there was a reaction con-
sequent upon improved demand
from the seaboard. The close was
firm, 1 1/2 off to 1/4 above last
night.

OPENING PRICES

Wheat: May, \$1.48 to \$1.49;

HOSPITAL PROBE IS SLOW IN GETTING A START

Difficult To Secure Committee; New Plan Suggested To Mayor

Tuesday afternoon brought no new developments in the Dr. Lake case and while Mayor Frick had decided upon the personnel of a new committee to investigate the charges of the Star he was withholding announcements pending their acceptance.

Harry Strong has expressed a willingness to serve on the probe committee and will represent the labor interests of the city. A manufacturer and professional man will also be named on the committee.

Attorney B. F. Kimble, who is one of the lawyers retained by Dr. Lake, and Miss Helen Lowe, superintendent of the hospital, said there was nothing new in the case Tuesday and that they were simply waiting for the committee to organize and a time set for the hearing of the charges. His clients were ready for the hearing to begin as soon as possible.

MAYOR DEFINES POSITION

The mayor said the formal demands made by the two officials contained language that paved the way for him to act should the findings of the committee be against them, they urging that he take the action warranted by the law and reiterated his statement of Monday, namely: "The public well knows that I will not countenance in any city department anything I will not countenance with any individual or the humblest citizen. If the charges against Dr. Lake are sustained I will remove him. The law plainly gives the mayor the authority to remove the safety director, service director, police chief and fire chief for cause."

The mayor says he is distressed over the whole affair and wants it over with one way or the other as soon as possible.

DOCTORS SUGGEST PLAN

Drs. S. S. Halderman and J. S. Rardin failed to receive any encouragement from the mayor when they called on him Tuesday with a proposal that a hospital visiting committee of seven citizens co-operate with the safety director in looking after the institution. The mayor told his callers that he had the distinct pleasure of being a member of the legislature that abolished the old trustee form of government for public institutions and which centered the responsibility for the management of such in the state board of administration which is charged with the management of the state's thirty institutions. He said no governor or legislature would dare repeal that law and return to the old system. "You got to center the responsibility and I'll run the city hospital with a safety director if I have to go out and get a new one every day," said the mayor. He added that the very persons who were now advising against permitting anyone else save the safety director to have charge, Dr. Halderman did not take kindly to the mayor's attitude and terminated the interview by leaving the room.

TUESDAY MORNING'S DEVELOPMENTS

Difficulty in securing citizens to serve on a probe committee bids fair to retard the proposed investigation of the charges made by the Morning Star against Dr. Jos. Lake, city service director.

Dr. James W. Fitch and Wade S. Kennedy, two of the persons named by Mayor Frick have both declined to serve and Harry Strong, the third member of the committee named, has not given his answer or been heard from but is expected to serve.

The mayor was disappointed over the refusal of the others to accept appointment on the committee but said he could readily understand why a physician and in fact most any other person would prefer not to get mixed up in the affair. He regrets it because he believes that the public would have been well satisfied with the findings of the first committee named.

The mayor hoped to have a new committee named before the day was over.

PURPOSE OF INVESTIGATION

The mayor said the purpose of the investigation was to determine what foundation there is for the charges made and if they are proven groundless it will be followed by a legal action, while if proven true he will not immediately as he will never countenance anything unlawful.

The mayor said that just as soon as his committee had been named and the members got together he would insist upon the investigation beginning at once and that he would provide a meeting place which would probably be the city council chamber.

WILLING FOR COUNCIL TO ACT

He said were it a question of the mayor removing the director from office or suspending him that a legal form of procedure is provided but no formal charges have been filed with him against the director. He was willing to follow any course even to permitting city council to name a committee and pass upon the charges in order to satisfy the public mind.

Dr. Fitch declined to serve for obvious reasons, declaring that with the great amount of practice he has had at the hospital he much rather preferred to act as a witness rather than as judge.

Mr. Kennedy declined because of press of business having made all arrangements to leave this evening for Columbus to meet the Columbus representative of the Irving Drew Shoe company.

The Star in its morning issue comments as follows:

RESENTS STAR'S ACTION

"The mayor seems to think he has a personal grievance against The Star, and that it is his duty, not to get at the true state of affairs, but to shield his appointees and to discredit The Star. Up to this time The Star has done nothing more than to demand an investigation and to ask the resignation of the safety director. In this there was nothing, either directly or indirectly, against the mayor. No blame can be attached to him unless he shall attempt, not an investigation, but a white washing."

"The Star hopes that a committee will be appointed that will have full legal powers and that it will go ahead with the honest determination to get at the bottom of any misconduct which may have occurred. It will be the part of every good citizen to help with this work and to give any information in their possession. The Star will gladly co-operate with such a commission and will give it all the aid in its possession."

CONTRAST IN TREATMENT OF CHARGES

"Not many weeks ago a jealous husband, separated from his wife, complained to the mayor that his wife was running with other men." The mayor thought sufficient of this complaint, although no affidavit was filed and no specific charges made to order the police to investigate the woman's conduct. It was found to be irreproachable and the policeman sent to investigate said he never felt more ashamed in his life than when he intruded upon a scene of happy domesticity at the order of the mayor.

"With such action in such a case it would seem that the may-

or might have paid attention to letters of complaint, rather than to have turned them over, or rather covered them up, to those against whom complaint was made.

NOTHING TO REGRET OR RETRACT

"The Star has nothing to regret and nothing to retract. It is satisfied that an honest investigation, fairly conducted by a commission having due authority, will result in much good."

"The mayor should be interested not in 'getting back at' The Star, but in seeing that his administration is like Caesar's wife, above suspicion. The Star has but voiced the rumors, and more than rumors, which have been rife in the city for months. If Mayor Frick has not heard them, he is about the only man in Portsmouth who has not, and it is time that he did."

"The Star did not act until it believed action justified and necessary, and it is willing to aid in any investigation made by any committee having proper legal authority, so that its actions may be of some effect."

"As for The Star, it is afraid of no libel suits, nor threats, nor boycotts. It intends to keep hammering away until the city government is thoroughly investigated, and fumigated if need be. The Star has the goods."

State Will Lose

Columbus, O., March 2.—The supreme court this afternoon reversed the Franklin county court of appeals decision in the state oil inspection case. The supreme court held the act as unconstitutional.

MR. GRIMES NO WORSE

H. S. Grimes continued in about the same condition Tuesday morning, being if anything slightly stronger. He was delirious much of the night Monday but towards morning became calmer and rested easier than he has for several days.

DR. FETTER BETTER

Reports Tuesday morning from the bedside of Dr. S. P. Fetter were decidedly encouraging, and the many friends of the physician will be delighted to hear that he has a good fighting chance for recovery. He has partially regained consciousness, able to take some nourishment and there seemed to be a noticeable change for the better.

DO IT NOW

A. W. Burns & Co. commenced hauling brick Monday for parts of the five mile paving work on Chillicothe pike. Active work of breaking ground will not be commenced until next week.

The contractors expect to employ a force of 50 or 75 men all spring and summer and hope to have the improvement completed this fall. Only 1½ miles of the pike will be paved with brick the balance to be concrete.

D. J. Webb announced Monday that he would soon make extensive improvements to his newly acquired property on the Gallia pike east of Kendall avenue. He will move one of the houses on the lot to the front of it and will open a new street through the property.

C. F. McInnis has joined the "Do It Now" club and is erecting a new home on his farmplace near Fullerton, Ky.

Mrs. Mary M. Belmont of Sciotoville has joined the "Do It Now" club by having a new foundation put under her house on Market street, Sciotoville. The house is also being raised and undergoing other repairs.

That the people of Portsmouth are responding to the "Do It Now" call is evident from the fact that 23 building permits were issued during February as against 14 for the corresponding month last year. Three permits were issued Monday and as many Tuesday.

George A. Densmore has joined the Do It Now club by having a new frame garage built on the rear of his lot at 1101 Ninth street. Densmore is to purchase an automobile in a few days.

Orphan Boy Missing

The police are searching for Carl Morgan, a Lick Run orphan boy, who is loitering about the city, instead of remaining with relatives in the country. His uncle, Fred Morgan, has offered him a permanent home. Judge Healy has ordered the boy's arrest.

At West Union

Judge Blair left Tuesday on a business trip to West Union.

Places Closed

Albert Zaehner has placed a clock in the new quarters of the Retail Merchants' Association in the Masonic Temple.

Reduced Capital Stock

Columbus, O., March 2.—The Heer Engine company Tuesday reduced its capital stock from \$120,000 to \$100,000.

It was stated Tuesday by Henry W. Heer that this step was taken because the Reliable Engine company had taken over the engine business of the Heer Engine company.

Word was received from Athens, Tuesday, that Earl Bishop, who was recently committed to the hospital there, was considerably better, which will be pleasing news to his friends here.

BEN HUDSON WINS SUIT

After deliberating less than three hours the jury in the damage suit of Ben Hudson against the Chesapeake and Ohio tried in circuit court before Judge Halbert of Vaneburg, returned a verdict of \$9,667 for Hudson at 11:30 Tuesday morning. Hudson was represented by Attorneys Mallan, Johnson and Jones and Attorneys Worthington, Browning and Cochran represented the C. & O.

Seven Wise Men Are Holding Meeting Here

Members of the Seven Wise Men from all parts of Ohio arrived in Portsmouth Monday and Tuesday morning and are holding their annual grand lodge convocation in the Haru Gari hall at Gallia and Gay streets.

The meeting was arranged for this city in an effort to create enough sentiment to establish a convocation of the lodge in this city. There are lodges in Oak Hill, Glen Roy, Wellston Dundas, Had-cliff Station and Ironton. Julius Mortel of this city has been named as the organizer here and he will make a special effort to secure enough signatures to start a new lodge here of the Seven Wise Men of Heptasophy.

W. C. Truener acted as chairman of today's meeting. Reports of the various committees were read and consumed most of today's session. Joseph Hughes, chairman of the committee on law read an interesting report. He reported the grand lodge of the Seven Wise Men in good shape. About 75 delegates are present at the meeting and it will last until Wednesday noon.

At the afternoon session after it was decided to hold the next meeting in Glen Roy these officers were chosen for the new year: Archon, E. H. Crum, Wellston; Provost, Charles Deslerick, Ironton; prelate, H. H. House, Glen Roy; Grand Scribe, Joseph Hughes, Wellston; Grand Treasurer, Edward Kurtz, Ironton; Inspector General, George Vanbisher, Wellston; Herald, Fred Schroeder, Ironton; Warden, C. A. Bowman, Oak Hill; Sentinel, Otis Dalton, Oak Hill; Grand Instructor, J. J. Johnson, Jackson; Grand Trustees, L. L. Lyons, Jackson, B. R. Goodrich, Dundas, H. D. Pierce, Hadcliffe; Executive Committee, S. J. Fitzpatrick, Union Furnace; Committee on Appeals, Fred Kurtz, C. O. Williams, Wellston; C. S. Landersville, Wellston; Representatives to Supreme Lodge, J. L. Haggerty, Ironton, W. E. Bralley, Wellston. Edward Kurtz of Ironton delivered a lengthy speech for the good of the subordinate convocation.

If you should ask your dentist for a bottle of Allen's Cough Balsam, he will tell you that he has something better or is "just out" and he will persuade you to make a little more profit, but insist upon having "Allen's Cough Balsam"; if necessary go elsewhere for it.

WITH THE SICK

David Williams, who has been so seriously ill with pneumonia continues to make satisfactory strides toward recovery. His left lung, which was affected has practically cleared up and he is almost out of danger.

Frank Bassler, who has been ill for sometime at his home on Second street was reported in an extremely critical condition Tuesday afternoon.

Dr. Chas. H. Dawson of Wheelersburg, will leave Tuesday for Scotland, Ill., where he will be at the bedside of his mother, Mrs. Taylor Dawson who suffered a stroke of paralysis several weeks ago. He received word Monday that she was in a serious condition.

Lucien M. Doty, who two weeks ago was operated upon in the Mt. Carmel of Columbus, returned to Portsmouth Monday evening. He is feeling much better and expects to resume his work in a few days in the office of the Selby Shoe company.

Mrs. V. S. Aldstock, of 1409 Center street, underwent an operation at the Hempstead hospital Monday.

Mrs. Lulu Lee, of 2009 Gallia street, was admitted to the hospital for treatment Monday.

Mrs. Rosabelle Huber, of 906 Third street, was admitted to the hospital Monday for treatment.

Wells Crawford, a clerk employed in the post office, is a grip victim and his work is being looked after by William Hart.

Girl Burned

Five year old daughter of a Mr. Adkins, of Greenup, was fatally burned late Tuesday afternoon.

Her dress caught fire from a burning grate. Mr. Adkins formerly conducted a second hand store in this city. It was reported.

Emil Bishop Better

Word was received from Athens, Tuesday, that Earl Bishop, who was recently committed to the hospital there, was considerably better, which will be pleasing news to his friends here.

BIRTHS

A fine little son was born Tuesday morning to Mr. and Mrs. A. R. Jackson of Eleventh street.

Mr. and Mrs. Sam Radcliff, of 321 Front street, are the proud parents of a handsome little son, their first-born, who arrived Sunday.

Aurora Lodge Meets

Aurora Lodge, No. 48, F. & A. M., held an important business meeting Monday evening, which was largely attended. Several new members were voted into membership.

Attend Moose nomination of officers tonight. This means you.

Mrs. Frank Moulton, of Second street, has been quite ill for several days.

OBITUARY

Loran Alfred Artslip
Loran Alfred Artslip, six month's old son of Mr. and Mrs. Alfred Artslip of Limeville, Ky., died Monday after a short illness of pneumonia. The parents survive. The funeral was held Tuesday morning with interment at Limeville. Undertaker Louis Snyder of Wheelersburg was in charge of funeral arrangements.

Baby Dies
Lafayette DeBerrienne, of Second street, received a telegram on Tuesday informing him that a baby, son of his uncle, Ellison Laid, of Lawrence, Adams county, died shortly after birth Monday night.

J. F. Goetz
Friends of J. F. Goetz who at one time was engaged in the undertaking business in this city, will regret to learn that he recently fell a victim to tuberculosis at his home in Wheeling. News of his death was announced at the Masonic meeting held last night. Mr. Goetz leaves a wife and one child. He was for a number of years a resident of Portsmouth and was in every way a splendid young man.

Mrs. Jane Holt

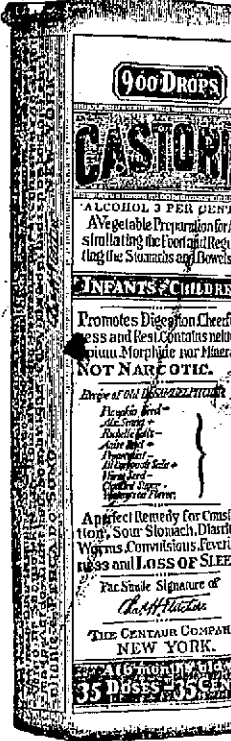

Mrs. Jane Holt, 81, died at the home of her niece, Mrs. James Oursler, of Gallia street, between Young and Kendall avenue, Tuesday afternoon, at 2:30 o'clock, the result of a paralytic stroke sustained last January. Her decline since that time has been gradual, and her passing away was not unexpected. Her husband preceded her in the grave several years ago, and Mrs. Oursler is the only relative living.

Ordinance

A resolution declaring the intention of the city council not to interfere with the discontinuance of the Kendall avenue grade crossing by the N. & W. and B. & O. railroad companies upon the completion of the proposed overhead crossing will be introduced at the meeting of the city council Wednesday evening. It was drawn up by City Solicitor McCall Tuesday.

Dollars pumped out 10 cents per hour. Walters Plumbing Co. adv.

Head Was Cut Off

A man was run down and decapitated by C. & O. train No. 3 Tuesday afternoon, fatality taking place just above Russell.

B. Augustin, Sr., of Front street, who has been ill for a few days, was reported better Tuesday.

Dogs Run Over

Officer Bonzo shot and killed a bird dog that had been run over by Ex-Sheriff John Eckhart's automobile on Gallia street and badly hurt Tuesday. Police were also called to end the misery of a stray dog that had been run over by a street car near No. 913 Eleventh street.

Mrs. V. P. Aitcock, who was operated upon at the hospital several days ago, was dismissed Tuesday.

PLOT TO LOOT NEW YORK

(Continued From Page One)
package under his coat and Baldo at his side, he walked on to a stage where every sitting had been placed there by detectives. Two men in civilian clothes in the vestibule through which he passed were in reality central office detectives. The white wigged priest who met them at the door and took them to a seat down near the front of the church and close to the altar was a sergeant of police. Just behind Abarno there entered the church, quite casually, two more detectives who followed the provisional priest and took seats at his bidding in the pew behind. It was these men who saved the cathedral from damage by beating out the fire in the fuse.

Abarno realized the identity of his companion a moment after he had lighted from the glowing end of a cigar the fuse of the bomb which he carried under his coat. The missile had barely left his hand, to be for a moment on the carpet at the foot of the altar when Baldo pinioned Abarno's arms behind him, told him that he was under arrest and started to leave the church. Abarno permitted himself to be handcuffed to his captor without resistance and walked meekly down the aisle which he carried under his coat.

The missile had barely left his hand, to be for a moment on the carpet at the foot of the altar when Baldo pinioned Abarno's arms behind him, told him that he was under arrest and started to leave the church. Abarno permitted himself to be handcuffed to his captor without resistance and walked meekly down the aisle which he carried under his coat.

From Baldo the police learned that the anarchist's plans were to be developed in separate phases by groups of two and three men working together. Detectives were assigned to watch these groups and the two men from central office were shadowing Carbone when he was arrested.

According to Baldo, Abarno had planned to wreck the cathedral a week ago, late in the afternoon, but had postponed execution of the idea, partly at Baldo's suggestion. Today, when he left his room with Baldo, half a dozen detectives, some of them disguised as laborers and carrying dinner pails, trailed him to the church.

(Continued from Page 1.)
new action of the British and French governments established a blockade of Germany, although that would be the general effect of the order. He indicated that even though a real blockade were established, no questions affecting the neutrality of the United States would be precipitated by the continued voyages of American ships to Germany.

The president made it clear, however, that for American ships to sail for Germany would involve no violation of neutrality but merely be at the usual risk of the owner of the vessel and cargo in legal proceedings.

No indications were given as to just when a reply might be sent by the United States but the general belief that it would not be delayed long.

U. S. WILL NOT RETRACT

Miss Dolly Wise

She is here to answer any and all questions concerning love, matrimony, troubles, weep, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, O. Office Phone 80. Residence A-200.

not help laying the blame upon both sexes.

A CINCINNATI SALESMAN.

My Dear Miss Wise.—I have been in your city for several weeks and have read with much interest the letters on the "fast bunch" of the town. I must say the arguments regarding the cause of the social conditions are both wrong. In my opinion the young men and young ladies (I) are both in the wrong. I have never seen a faster town for its size than Portsmouth. The girls seem to think of nothing but "scoring" with the fellows, while the fellows are out eternally hunting for "chickens." Now I'm not downing this town, for I have every respect for its growth and improvement, but the moral conditions are most degrading. I have seen girls talking to fellows in the small hours of the morning, young girls who seemed mere children. The young men go around with the eternal cigarette and using foul language. I hope my opinion does not seem too egotistical, but I can

DON'T FUSS WITH MUSTARD PLASTERS!

Musterole Works Easier, Quicker and Without the Blister

There's no sense in rubbing up a mass of mustard, flour and water when you can so easily relieve pain, soothe or stiffen with a little clean, white MUSTEROLE.

MUSTEROLE is made of pure oil of mustard and other helpful ingredients, combined in the form of a pleasant white ointment. It takes the place of the out-of-date mustard plaster, and will not blister!

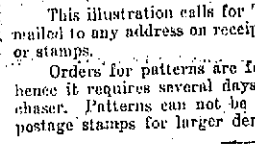

MUSTEROLE gives prompt relief from Sore Throat, Bronchitis, Toothache, Headache, Croup, Asthma, Neuralgia, Rheumatism, Lumbago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chills, Cuts, Frostbite, Colds of the Chest, etc. It often prevents Pneumonia.

At your druggist's, in 25¢ and 50¢ jars, and a special large hospital jar for \$2.50. Be sure you get the genuine MUSTEROLE. Refuse imitations—get what you ask for. The Musterole Company, Cleveland, Ohio.

Times Service Pattern

1224-1222

This illustration calls for TWO separate patterns which will be mailed to any address on receipt of 10c FOR EACH pattern in silver or stamps.

Orders for patterns are forwarded to New York to be filled, hence it requires several days for the pattern to reach the purchaser. Patterns can not be ordered by telephone. Do not use postage stamps for larger denomination than two cents.

CAUTION—Order adult pattern by number of pattern, giving bust measure for waist patterns, and waist measure for skirt patterns. For Misses and Children give number of pattern and age only.

1224-1222. A smart and becoming gown, with new style features.

White gabardine with facings of black poplin is here shown. The waist is cut with jaunty bolero fronts, and a neat high collar, that leaves the throat free in front. The sleeve in wrist length is close fitting below the elbow, in short length it is finished with a shaped cuff. The skirt is cut with high waists, and is gored in graceful ample fullness. This design is lovely for the pretty new linen and cotton materials of the season, and will look well in poplin, taffeta, or full silk. The waist pattern is cut in 6 sizes: 34, 36, 38, 40, 42 and 44 inches bust measure. The skirt in 6 sizes: 22, 24, 26, 28, 30 and 32 inches waist measure. To make the entire dress it will require 3 1/2 yards of 27-inch material, for a medium size.

Dear Miss Wise.—I read so many of your answers to questions and they are good, so I am coming to you for a little information. I am newly married and my husband and I are going to take supper at the restaurant some evening and Dolly I never was in a restaurant before and I don't want my husband to know how "green" I am about such things. Will you tell me if they have a bill of fare or not? and is it the lady's place to order supper or the gentleman? Dear Dolly don't think I am as unused to all other ways of the world as this, for I'm not. Anxiously awaiting.

BLACK EYES. I'm sorry, but your question did not reach me in time for last night's paper. They have a bill of fare or menu card at all restaurants. As a rule the man does the ordering. You can tell your husband what you would like to have before the waiter comes around to take your order. At some restaurants they serve regular meals.

MUST BE MOVED. Pianos and player pianos in the next two weeks. Easy payments. Creekbaum, 1021 Fourth Street.

Send 10c in silver or stamps to pattern department of The Times, for an up-to-date 1915 large Spring and Summer Catalogue, containing over 400 designs of Ladies', Misses' and Children's Patterns, as well as the latest embroidery designs, also a COMPLETE AND COMPREHENSIVE ARTICLE ON DRESSMAKING, giving valuable hints to the Home Dressmaker.

Little Miss Rebecca Miller spent Sunday in Ironton, the guest of her aunt, Mrs. James Slater.

SOCIETY

Mr. and Mrs. J. C. Shoop gave a surprise at their home in Picketon, O., last Friday evening, in honor of their father and mother's forty-ninth wedding anniversary. Mr. and Mrs. Jesse M. Shoop served supper at seven-thirty. Those present were: Mr. and Mrs. J. M. Shoop, Mr. and Mrs. W. A. Sampson, Mr. and Mrs. Earl Wright, Mr. and Mrs. G. W. Nesler, Mr. and Mrs. C. M. Freeman, Mr. and Mrs. A. J. Lee, Mr. and Mrs. C. W. Nicholson, Mr. and Mrs. J. E. Rinehart, Mr. and Mrs. G. Snyder, Mr. and Mrs. Clyde Cheesman, Mrs. H. E. Lobdill, Mrs. J. Beauchamp, Mrs. Thad Henson, Miss Sallie Barnes, Mrs. Nanette Dawson, Mrs. S. A. Vance, Miss Olive Johnson, Miss Inn Cooper, Mr. and Mrs. G. E. Ware, Miss Mollie Barnes, Mrs. M. E. Wright, Miss Cora Nesler, Mr. and Mrs. A. D. Farmer, Miss Zephania Albin, Miss Julia Beauchamp, Mrs. K. Wright, Mr. B. Lobdill, Mrs. Zoe Wynn, Mr. and Mrs. S. B. Cooper, Miss Grace Wright, Miss Mary Kief, Miss Elizabeth Johnson, Mrs. Kate Smith, Miss Minnie Smith, Mrs. Rhinehart, Mr. H. J. Shoop, Mr. F. D. Shoop, Mr. Harry Talbert, Mr. Floyd Ware, Mr. and Mrs. C. Cheesman, Miss Ruby Weisenstein, Miss Margaret McGuire, Mr. and Mrs. S. H. Peters, Mrs. Sam Strutt, Mrs. Julia Rice, Mrs. Ella Crockett McGuire, Mrs. C. Talbot, Lois Rief, Nanette Rief, Mr. Walter McGuire, Mr. Alva Lee, Mr. George Bateman, Mr. A. W. Lee, Mr. N. C. Cutler, Miss Marie Weisenstein, all of Picketon; Mr. Chas. P. Crizer, of Idaho, O.; Mrs. J. H. Bernhold and Miss Margaret Bernhold, of Portsmouth, O.; Mrs. K. McEwen Lucas, Chicago, Ill.; Mrs. Ella McGowan, Misses Margaret Cutler, Dimp Cutler, Phoebe Cutler, Frances Cutler, Mahelle Denny, Grace Cutler, Kith Cutler, of Jasper, O.; Mr. R. C. Towles, Lathrop, O.

Mr. and Mrs. Fred Geiger and daughter Helen, of Ironton, are guests of her sister, Mrs. Edward Fenzel, of Grandview avenue.

Mr. Howard Miller will entertain the Sew and Sew Club Friday afternoon, instead of Thursday, at her home on Sixth street.

Guy Moore has accepted a position as traveling salesman for the Wheeling Carriage Company, to cover the state of Kentucky, and will start out on his trip on March 15th.

The Margaret Murfin Guild of the Second Presbyterian church held a meeting last evening at the home of Mrs. John Peebles, where eighteen were present and sewed for the deaconess to help in her work among the needy. The next meeting will be held at the home of Miss Jennie Shoemaker, on Sewateen street.

Guy Moore entertained a few friends at dinner Sunday evening at the Washington Hotel. Covers were laid for Misses Ruth Chas, Martha McGhee, Mary Davidson and Helen Dunn, Messrs. Guy Moore, Hugh Tremper, George Breece and Kenyon Johnson.

While Mrs. Earl Rardin is getting along as well as could be expected, she will not be able to receive calls from her legion of friends for a week or more.

Makes Stubborn Coughs Vanish in a Hurry
Surprisingly Good Cough Syrup
Easily and Cheaply Made at Home

If some one in your family has an obstinate cough for a bad throat or chest cold that has been hanging on and refuses to yield to treatment, get from any drug store 2 1/2 ounces of Pinex and make it into a pint of cough syrup, and watch the cough vanish.

Four the 2 1/2 ounces of Pinex (50 cents worth) into a pint bottle and fill the bottle with plain granulated sugar syrup. This takes about 10 cents, and gives you a full pint—a family supply of the most effective remedy, at a saving of 5¢. A day's use will usually overcome the cough. Easily prepared in 5 minutes—full directions with Pinex. Keeps perfectly and has a pleasant taste. Children like it.

It's really remarkable how promptly and easily it loosens the dry, hoarse or tight cough and breaks the inflamed membrane in a painful cough. It also stops the formation of phlegm in the throat, a bronchial ailment, and ending the persistent loose cough. A splendid remedy for bronchitis, whooping cough, bronchial asthma and whooping cough.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in quinine, which is so healing to the membranes.

Avoid disappointment by asking your druggist for 2 1/2 ounces of Pinex. A guarantee of absolute satisfaction goes with this preparation or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

Mr. and Mrs. Cecil Miller are at home from a short visit in Cincinnati.

The Christian Endeavor Society of the First Presbyterian church met last evening at the home of Mr. and Mrs. C. F. Loah, where there were twenty-five present. Rev. J. W. Dunning gave an interesting talk on Missions. The regular business was followed by refreshments.

Mr. and Mrs. Ralph Izard, of Fifth street, are in Miami, Florida, where they will spend three weeks. They are delighted with the beautiful climate.

Miss Anna Merrill resumed her work as teacher in the Lincoln street school this morning, having recovered from an operation for appendicitis.

J. E. Moore, of Columbus, is here for a two days' visit with his parents, Mr. and Mrs. S. A. Moore, of Third street, on his way to the South on a trip in the interest of the Northwestern Knitting Company.

Miss Sadie Krieger is getting along fine in Hendersonville, N. C., where she has been spending the winter for the benefit of her health.

Mrs. J. J. McCall, of Campbell avenue, is at home from a visit with relatives in Canada and Kenora.

The three-year-old son of Charles Miller, of Sixth street, has been seriously ill for several days. Doctors T. Kline and Dawson, of Wheelersburg, were in attendance yesterday.

The Ladies Aid Society of the Central Presbyterian church will meet Wednesday afternoon at the home of Mrs. Charles Best, on Washington street.

The home of Mr. and Mrs. J. C. Neff, 1210 Center street, was the scene of a party Saturday afternoon when the ninth birthday anniversary of their son Fred was celebrated. Various games were indulged in, after which fruit, candy, ice cream and cake were served. The guest list included the following: Harold and Donald Parkett, Winston Lawrence, Glen Schell, Charlotte and Ray Craft, Albert Prince, Curtis Tinson, John Long, George Perkins, Homer Cox, Fred Neff, William Ellersson, Irvin Napier and John Deitz.

Mrs. Ella Lloyd is recovering from a fall which she sustained just before Christmas, when she injured her hip. She is now able to be about the house on crutches.

Little Miss Rebecca Miller spent Sunday in Ironton, the guest of her aunt, Mrs. James Slater.

Mrs. Adam Kreckel, of 514 Findlay street, has returned from a visit to Mrs. James Beals, of Ironton.

Mrs. Carl Clements, of Ironton, is visiting her mother, Mrs. Carrie Brown, on Sixth street.

Mrs. Adam Kreckel, of 514 Findlay street, has returned from a visit to Mrs. James Beals, of Ironton.

Mrs. Carl Clements, of Ironton, is visiting her mother, Mrs. Carrie Brown, on Sixth street.

The Ladies Musical presented the program of music yesterday afternoon in the High School Auditorium, where there was a goodly number in attendance. Mrs. Charles E. Hard presided in the absence of the regular president, Miss Marting, who is in New York studying organ. Mrs. H. C. Bugh was in charge of the program, which was given as follows:

Piano—Scherzo Op. 34—Chopin
—Mrs. James S. Pearce.
Vocal—(a) Last Night I Heard the Nightingale—Mary Turner Salter; (b) The Cuckoo—Liz Lehmann—Miss Gertrude Schmidt.

Violin Choir—(a) Hungarian Dance—Brahms; (b) Abendlied—Schumann; (c) Chant Sans Pareils—Tschinkowsky—Miss Alice Blake, Director.

Vocal—Paris (Spoken Love)—Lingit Arditi (Sung in Italian)—Miss Myrtle Zeigler.
Reading, "The Master's Violin"—Myrtle Reed—Miss Lenora Alford.

Vocal Trio, The Swallow—Leslie—Mrs. Chas. Storck, Mrs. Wells Hutchins, Mrs. Alan Jordan.

Two Pianos—Tarentella—Hart—Miss Ruth Crawford, Mrs. S. R. Crawford.

Mr. Edgar Chipman accompanied Miss Zeigler, and Miss Lollie Anderson played for the trio and for Miss Gertrude Schmidt. The out-of-town guests were Miss Helen Krieger, of Columbus, guest of Mrs. Charles Nichols; Miss Mary Cook, of Hopkinsville, Ky., guest of Mrs. James Patterson; and Rev. and Mrs. Frank Young, guests of Mrs. Samuel Crawford.

Mrs. Lynn Kline Reed will have charge of the next program, which will be Music of Spring.

On account of the evangelistic services at the Fourth Street Methodist church there will be no practice of the Junior choir this week.

The Art Circle meeting, planned for Thursday at the home of Mrs. F. C. Goodwin, has been postponed until Thursday of next week on account of the illness of David Williams, whose mother is a member of the club.

Mrs. A. Augustus Wilson and daughter, Janet, left today for their home in Ashland, Ky., at the end of a short visit with her sister, Mrs. J. J. McCall.

The German Evangelical Relief Fund Society of the German Evangelical church will meet Thursday afternoon at the home of Mrs. Samuel Wice, on Fourth street.

Mrs. Vivian Balgus, of Eleventh street, left Tuesday for Knoxville, Va., for a short visit with friends.

Mrs. Mattie Collett has gone home to Ironton, after visiting at the home of Mr. and Mrs. John Mittenfior, in Solotvino, where she was called by the serious illness of Mr. Mittenfior, who is ill with pneumonia, and is slowly improving.

It is possible to do a big week's washing in a couple of hours with

Get a cake next washday, follow the easy directions, and see how easy it makes work when you don't have to boil or hard-rub your clothes.

Another sister, Miss Gladys Brase, took the chauffeurs' examination here Monday.

Mr. and Mrs. George Horder, who have been spending the winter with their children, Mrs. John Doley and William Horder, of Columbus, returned to their home at 1012 Ninth street today.

SUNDAY MOVIES AT NEW BOSTON GIVEN DEATH BLOW

The death knell for Sunday moving picture shows in New Boston was sounded Monday night when Solicitor Anselm Skelton quoted the statutes referring to the proposition.

Important work was outlined for the street committee in repairing streets and alleys and Engineer Harper's plan and estimate for a temporary flood defense were accepted.

The meeting was featured by the lengthy discussion on the Sunday "movie" business. A petition, bearing the names of 67 voters, was presented by Charles Buchanan, member of the Baptist church. The petition, signed by many church members, asked council to pass legislation to prohibit Sunday moving picture shows. Solicitor Skelton was asked for advice. He quoted the state law which plainly states that no amusement, dramatic production or moving pictures, whether for benefit or not can be run on the Sabbath day. The penalty for such offense after twenty days from time of complaint is \$100 fine or six months imprisonment or both.

Mayor Davis suggested: "It would be a good plan for each person who signed the petition to give ten cents each Sunday to support the sick lad. If they will give ten cents I will give 50 cents," said the mayor.

Member Lawrence Fitch in answer to one of the mayor's statements replied: "The mayor who should be opposed to such things, was the instigator of the Sunday picture show in the village."

Member Dixon said: "It is a state law and as such it was Mayor Davis' sworn duty to enforce it."

Mayor Davis in his own defense, said: "I thought I was doing right but as the people are opposed to it, I will close and try to enforce the law."

A schedule of bills amounting to \$10,786.47 was allowed. Mayor Davis' February report of \$15.47 for fines and collections was approved. The sum is the smallest turned in by the mayor since taking office.

Solicitor Skelton who had been instructed to bring in legislation for the dedication of the ground necessary for the opening of one square to East Rhodes avenue and a square to Lakeview avenue reported that no legislation was necessary and that the transfer of the land could be made when L. D. York deeds the land to the village and council accepts and approves the plat and streets.

Charles Dixon, chairman of the street committee, reported that repairs are being made to Taft street in Stewartville addition. The street is to be graded and dirt from Harrisonville pike, when that thoroughfare is paved, can be used to fill Taft street and make it as sound as Harrisonville pike. In some places it is 16 feet wide and in others it is 20 feet wide. William Dixon urged the purchase of the Marion Nelson lot of 20 feet to make the street 30 feet wide its entire length. Council would also have to buy the livery property and move the Nelson home to the latter ground.

Mr. Dixon said: "The condition of the street is a disgrace to Taft."

Member Fred Essman, Democrat, said: "If the street was named for a Democrat I suppose it would be repaired."

The street committee was ordered to investigate the matter of purchasing the land to widen the street and report at the next meeting.

Engineer Harper presented a plan and estimate for a temporary flood defense for the lower end of the village. An embankment near the Peabody tunnel will be built to keep out 62 feet of water. The estimate for the work was \$420. Solicitor Skelton was ordered to bring in an ordinance appropriate-

ing the money for the work at the next meeting. The flood defense is part of the village's sewer system.

The solicitor was authorized to confer with Alan Jordan to get a price for certain strips of land through the Alan Jordan strips on West avenue. Two sixty-foot strips for Rhodes and Stanton avenues, and three thirty-foot strips for alleys and a three foot strip to add to Gallia pike are needed to connect it with the streets in the Peabody addition. The village will have to purchase the land from Mr. Jordan which has been the cause of considerable trouble to the village for several years past.

The street committee was ordered to make the necessary repairs to three alleys in the lower end of the village of which complaints had been made to different members. Mayor Davis reported

that he had recently received a letter from the state health board which said that the village was not in a very sanitary condition and that as soon as the sanitary sewer is installed each property owner should be made to tap into it and thus do away with lots of sickness brought on by present unsanitary conditions.

Mayor Davis was instructed to confer with Mayor Frick or other city officials in the matter of the city water works employees coming to the village and tearing up the streets without permission of any of the village officials.

Monday a water service was installed for O. D. Chian without a word being said to the village officials. The city was paid for making the tap.

Council adjourned to meet next Monday evening when the \$2500 bonds for purchasing fire apparatus will be sold. Bids will be received until next Monday noon.

Night Turnkey Gets His Walking Papers, Had Domestic Woes

William Ballman has been relieved of the position of night turnkey and city building janitor by Mayor Frick and will probably be succeeded by Lawrence Johnson, colored.

The change is directly attributed to some domestic troubles of Ballman and his wife. The latter camped about the city buildings the greater part of the day, officials say, and demanded that an officer be sent to Kentucky to arrest her husband, who she claimed had drawn his pay check and failed to come home with it. The mayor refused to listen to the proposition. The couple were later seen together, Ballman wearing his citizen's clothes, and he

failed to report for duty Monday evening.

The mayor at once decided upon a change, recalling that when the position was given to Ballman it was with the understanding that his wife was not to be constantly at his side whilst he was engaged in the performance of his duties as, it is claimed, was the case when he held the same position during the Searey administration. The mayor said he did not countenance the presence of women about the city buildings after night and even though they might be the wives of employees and their motives were all right it only afforded room for speculation on the part of the public.

Local Owls Plan For A Big Time

Arrangements for a big banquet to be given by Portsmouth Nest of Owls within the near future were discussed at a meeting of the lodge Monday evening. The date will be announced soon, and the social committee will endeavor to fix it so that it will be convenient for several House Nest officials to stop off on their way East on an inspection trip. Doc Waddell, of Columbus, will also be present and make an address. He will transfer his membership from Columbus Nest to Portsmouth Nest on that evening. The committee is composed of Cliff

ford Bichel, Charles Barr and John Knost.

Announcement was made that a meeting of the auditing committee would be held next Sunday afternoon, at two o'clock, at the office of Roy McElhenny, in the court house. The committee is composed of Clifford Bichel, Roy McElhenny and Charles Barr.

Roy McElhenny announced at the meeting that he was going to attend the meeting of the Second Degree members, which will be held at South Bend, Ind., next June. McElhenny is one of two Second Degree Owls in the state of Ohio.

YALLER FINDS WORKHOUSE GOOD AS A KEELEY CURE

"I am safely say that I have been away from whiskey so long I have no desire for it whatever"—Van (Yaller) DeLottell.

Yaller in writing the above to the mayor supplements the note with the promise that if given his release from the Cincinnati workhouse he will get a job and abstain from all intoxicating drinks. The mayor, replying to the request, says it is his opinion that DeLottell is being benefitted by his stay there.

and he should like the cure to be as effectual as possible, therefore thinks it best for him to remain a few weeks longer.

Rev. Diamond Will Preach

Rev. James Diamond of the Front Street Free Will Baptist church, will deliver a sermon in the Salvation Army barracks, 1038 Chillicothe street at 7:30 tonight.

Ohio river fish for everybody. J. P. Schaefer & Son, old stand, 216 Market. 2-51

Ready March 15
A. Kline of the Fashion Emporium Company, stated Monday that the firm expected to be in its new room at Gallia and Gay streets March 15th. The contract for the new plate glass front will be let in a day or two.

Machine Balked
Oscar Emmett and Harry Knost made a trip to Waverly Sunday on their motorcycles. On the return trip Knost's machine broke down, and he had to be towed into the city by his companion.

PIANOS, PLAYER PIANOS

FORECAST
Fair over upper Ohio valley tonight and probably Wednesday. River will fall slowly.
H. C. DONNALLY,
River Observer.

The Ohio river continues slowly rising with a stage of 21.5 ft. here Tuesday morning. Wednesday's packet departures: Str. Greenland for Cincinnati at 6 a. m., Str. Klamlike for Rome at 2 p. m., Str. Greyhound for Huntington at 3 p. m., Str. Tacoma for Pomeroy at 3 p. m.

Pittsburgh, Penn., March 2—Pittsburgh river men will receive rewards aggregating \$1,500 for the finding of three bodies. That of Robert M. Oliver, superintendent of the Oliver Iron and Steel Company, was found this morning near the Point Bridge less than a quarter of a mile from where the three men were drowned Jan. 16. The bodies of Monney and Nicholas, who went to the assistance of Oliver, were recovered Friday. David B. Oliver, father of the drowned man, offered the rewards. The Monongahela river has never been dragged so diligently as it was for these three corpses.

Special excursion trips from Pittsburgh to Memphis, Tenn., during the early months of spring by the Ohio and Mississippi River packet Queen City are being planned by S. R. Johnston, manager of the leased packets City of Parkersburg and Queen City. The big packet will be ready to be placed in commission in about three weeks. Mr. Johnston believes at least two excursions can be handled between Pittsburgh and the Southern city before the rivers fall to a prohibitory stage in the lower Ohio. The City of Parkersburg will continue to operate in the Cincinnati trade, making weekly trips between the terminals.

The boat went out today with a low of coal boats, probably the last tow to go out on this rise.

\$100,000

THINK ABOUT THIS

Do you know that the Capital National Bank, Gallia street, has for sale \$100,000 in Portsmouth, Ohio bonds that are free from taxation and are a good absolutely safe investment?

Will yield you a good rate of interest. Can be disposed of at any time.
Tax listing day is the first Monday in April. Come in and talk it over with us.

Buy Your Piano or Player Piano NOW and Save Money!

CONDUCTOR LOSES LEG ON EVE OF HIS WEDDING DAY

The following from the Columbus Dispatch is of interest here as the bride-elect Miss Elizabeth Kelso is a sister of Henry and Alex Kelso of this city:

At 10 o'clock Sunday morning Benjamin G. Ept of Dana avenue, was to have been married to Miss Elizabeth Kelso, of 246 West State street. At 11:45 Saturday night he slipped under a car of the train of which he was conductor in the Columbus railroad yards and suffered a crushed right leg which necessitated amputation. He is now at Grant hospital and his condition is good.

Doubtless stepping about with some elasticity in anticipation of the great event that was set for the morning, Mr. Ept jumped from a car of his train, which runs only through the yards to and from South Columbus, while it was still in motion. He slipped under the car and the injury was so sudden and so serious that he was unable to move until some of his trainmen came to his assistance.

He was at once removed to Grant hospital, where an immediate operation was ordered. Dr. Sterling B. Taylor performed it. The leg was amputated about half way between the knee and ankle. The patient showed great resisting power and such fortitude that when a reporter visited the sick room Monday noon Mr. Ept was sitting up in bed, although declaring that he hardly felt a luncheon necessary.

The bride-elect is constantly at his bedside, showing her untiring love the greatest devotion. She is the daughter of Henry Kelso of Corning and makes her home with Dr. James Kelso at 246 West State street. Mr. Ept's father also resides in Columbus.

The marriage is, of course, indefinitely postponed at present. The couple had planned an immediate wedding trip to the Panama Pacific exposition.

Orchard Demonstration
A practical orchard demonstration in pruning spray will be given at the home of G. B. Wittmann, one and a half miles from Buena Vista, Ohio, commencing at one o'clock, March 9, 1915. Every one interested in this work is urged to attend. A representative of the Ohio Agricultural commission will conduct the demonstration, bringing specimens of injury for identification.

Scotenville Board Votes For A First Grade High School

Also Favors Domestic Science Course
At a regular meeting last evening, sometime, directly or indirectly, upon the recommendation of Supt. Clarke Fullerton, the Scotenville Board of Education voted unanimously to establish a first grade high school. The board is unanimously in sympathy with the recommendation for this course.

John Evans Much In Evidence Again

The Grand United order of Odd Fellows No. 4065 and Household of Ruth No. 3635 Pelee's City lodge celebrated last night at A. I. U. hall the birthday anniversary of Peter Ogden, the founder of the grand united order. There was a good sized audience present. Miss Lady Turner presided at the piano and rendered the march by which the members entered the hall from the ante-room and gathered at the front to carry on the ceremony. Hon. John Evans in an eloquent speech presented Mr. Valentine, who was master of the ceremony. The following made speeches: Grant Metcalf, Mrs. L. E. White, Mrs. Martha Valentine and the Rev. John Irwin, pastor of the Allen Chapel and the Rev. Franklin L. Mason. At the close of the program the Hon. John Evans, the president of the Afro-American league, delivered a powerful address on the league. He also spoke of the splendid paper which the Rev. Dunning sent to the league, which was strongly applauded. Light refreshments were served. J. H. W.

COMPLIMENT SHONK

The fronton says:
"About the cleverest production from the pen of Cartoonist Shonkwiler of the Portsmouth Times we have seen for some time, appeared in Monday's issue. It is a sketch of Von Hindenburg, the German military hero. Not a facial expression was lost and one had to look twice at the clever conceit to note that the general's hair was made up of solid columns of infantry, his eyebrows of field guns and his mustache of briefing bayonets. The artistic work merits reproduction in any of the big review publications."

Mouse jointed officers tonight. Everybody present. 2-1
In New Hope
Mr. and Mrs. Lee Thuma, who have been living on Chillicothe street, moved Tuesday to 910 Third street.

BROKEN DOWN WITH DISEASE

"Oh, for the 'pep' I used to have." Well, you can get it. Trouble is, you haven't been taking care of yourself. Overwork, worry, too much staying out, and you will surely get in their deadly work on even a young man or woman. Your heart's all right, your stomach's all right, but still you don't feel "RIGHT." It's your kidneys and bladder. The kidneys are not throwing off the poisons which daily accumulate in your body. Or the urinary tract is diseased and the bladder is causing pain and inconvenience.

Get today by taking GOLD MEDAL Haaren Oil Capsules. In 21 hours you will feel the "RIGHT" coming back. These capsules dissolve quickly in the stomach. The antiseptic, purifying oil filters the kidneys quickly, and gently floods the entire urinary tract, washing out the poison-

ous microbes, which are eating out your vitality. Normal, healthy action then returns. The old-time vigorous, springy step comes back.

GOLD MEDAL Haaren Oil Capsules contain the pure, original Haaren Oil. No habit-producing drugs are in them—nothing but a scientific combination of healing, poison-destroying oils and tissue-building herbs. For over two hundred years, all over the world, GOLD MEDAL Haaren Oil, the National Remedy of Holland, has been making mankind happy. Go to your druggist today and ask for the capsules. Look for the name GOLD MEDAL on each box. None other genuine. 25c, 50c and \$1.00. Money refunded if not satisfied. That's our guarantee. Genuine Haaren Oil Mfg. Co., Haaren, Holland—American Office, 194 Water Street, New York City.

SALE WEDNESDAY!—Women's 50c House Dresses for 25c at Pepper's

SMASHED! ONE MAN'S FARMING ASPIRATIONS

Charles Taggart, in charge of the shoe department at Hall Brothers, has about concluded to stick to the mercantile business and let others attend to agricultural pursuits. Recently he conceived the idea of embarking upon the chicken business on a large scale, and to that end, purchased an expensive incubator and other accessories necessary for the care of motherless chicks.

His next move was to purchase five dozen eggs of rare variety, which he placed in the incubator according to instructions. Each morning for the past several days he would regale his fellow employees with fanciful tales of what he was going to do when his chicks

came made their appearance, always closing with the story of how, when his side line assumed large enough proportions, he would leave the city and settle down on a little chicken farm of his own.

Monday morning was the time when the eggs were due to hatch. Imagine his chagrin when he found that out of a total of sixty eggs, only four hatched out, and those four produced puny, crippled chicks, which lived but a few hours. To add to his woes, a brooding apparatus, which he had heated up in anticipation of the arrival of the chicks, caught fire, and almost ignited the interior of his home.

REAL WEB-FINGERED MAN

Portsmouth has a web-fingered man, probably the only one living anywhere. He is J. C. White, of 2050 Gallia street, an employee at the Portsmouth Veneer Works. Since birth, his second and third fingers on each hand have been webbed together, and in reality, he has only three fingers on each hand.

Mr. White experiences no discomfort by reason of the peculiar arrangement of his fingers, and seems proud of what distinguishes him from every other man with whom he has come in contact.

PROVIDE FOR THE OHIO RIVER

Washington, March 2.—Containing a provision for a survey of flood conditions in Ohio, a river and harbor bill was reported to the Senate and was rushed to the printer so that it may be before the Senate for consideration.

The survey covers tributaries of the Ohio in West Virginia, Western Pennsylvania, Ohio and Indiana.

About a year ago Secretary of War Garrison recommended the Ohio flood survey in a special report to Congress and more recently reported this urgent suggestion. Senator Burton insisted that this

survey be included if any surveys were provided for in this session's bill. The bill provides for a new lump appropriation of \$25,000,000, and the transfer to existing projects in excess of construction of \$3,000,000 previously appropriated for other works now practically completed.

Senator Fletcher, in charge of the bill, expressed the belief that the measure would pass the Senate. The Ohio river pine-frog project will be amply provided for under the new arrangement by the Board of Engineers as was done last year.

Harrisonville Happenings

Harrisonville, O., March 2.—Dr. J. B. Ray, aged 68 years, who is one of the best known physicians of Scioto county, is gradually sinking at his home near here.

Miss Anna Parks has taken a position as operator in the Farmers' telephone exchange here.

The baby daughter born to Henry Hase and wife Saturday has been named Fern.

Mrs. Vina Shuter and Miss Anna Parks were entertained at dinner Sunday at the home of Mrs. Bertha Crull.

D. F. Noy and brother, John Noy, of Wellston, are spending a few days visiting relatives and friends in this village.

Mrs. Edie Bodie, of East Portsmouth, is visiting her father, Sylvester Keller, of this place.

Waniser Riekey and Orley Shuter have returned from a business trip to Washington, C. H.

Henry Davis Released

The county commissioners Monday ordered the release of Henry Davis, of McDermott, who has been in the county jail for several days on a charge of disturbing a public meeting. His friends arranged to pay his fine.

How French People Cure Stomach Trouble

A household remedy of the French peasantry, consisting of pure vegetable oil, and said to possess wonderful merit in the treatment of stomach, liver and intestinal troubles, has been introduced in this country by George H. Myer, who for twenty years has been one of the leading down-town druggists of Chicago and who himself was cured by its use. No other and effective remedy is usually enough to bring pronounced relief in the most stubborn cases, and many people who have tried it declare they never heard of anything to produce such remarkable results in so short a time. It is known as Myer's Wonderful Remedy and can now be had at all leading drug stores. It is sold with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.

PERFECT POTATO PLANTING

Every skilled bill is a loss—in every thing, labor and land—and every double a waste of expensive seed and profitable potatoes. It means \$10 to \$20 an acre extra profit from the average field if all those bills are planted. It is this margin that more than pays for it.

IRON AGE 100% POTATO PLANTER

It places every seed piece just where you want it—right depth and right distance apart. Sows fertilizer of the same time, in a six or eight inch row across the furrow, without touching the seed.

Many testimonials make this machine value all through the season for side dressing, riding, making up rows, opening up covering furrows and as a corn, bean and pea planter. Fertilizer distributors in two rows, regular, which holds a little over half a sack, and a large one that holds a whole sack.

Call and see these machines, find out why they are so accurate and ask for new literature. 1915 Potato Planting.

GEORGE A. BELL
WHEELERSBURG, O.

SUNDAY SCHOOL EXPERT AT 4TH ST. M. E. TONIGHT

The Fourth Street M. E. Sunday school workers have been fortunate in securing Dr. F. W. Schneider, a member of the Board of Sunday Schools of the M. E. church, to address them tonight, at 7:15, on the theme, "The Objective of the Sunday School." In order that the entire city may benefit by this able man's visit here an invitation is extended to all who are interested throughout the city to hear this lecture.

Mr. Selby Tells About The Styles

The weekly shoe letter in the Cincinnati Enquirer Monday contained the following reference to Mark W. Selby, secretary of the Selby Shoe Company of this city: "Mark Selby, prominent manufacturer of women's shoes in this state, whose output runs into many thousands pairs per day, in commenting upon the bearing which styles in women's footwear will play upon the manufacturer's ability to gather up volume business on advance orders, claims that the situation, as it exists today, is one that is harder to solve or figure out than any which has confronted the manufacturers in previous years."

Must Read the Future
He says that the manufacturer

TERMINALS

Charles Jackson of Gallia pike left Tuesday morning for Wellston where he attended a funeral of his uncle, Edward Brady, who died Sunday at that place. The deceased is also a brother of Mrs. S. Molster of Front street, City.

Tom South, N. & W. tinner, is off duty suffering with an attack of grip.

Miss Fannie Fiegley is confined to her home on Gallia pike with a slight illness.

J. D. McNamara, N. & W. roadmaster, was in fronton on business Monday.

Edwin Lachwick, N. & W. file clerk has joined the N. & W. clerk's bicycle club.

The street crossings gates will be lowered hereafter for motorists to pass the same as a train or engine.

Notices to this effect have been mailed to all owners of N. & W. motor cars.

The Scioto Division Safety Committee and the Portsmouth Shop Safety Committee will hold their regular monthly meeting in a few days.

The lake coal traffic on the N. & W. which started last Saturday is picking up gradually. Few cars of the coal will go to Sandusky and Toledo each day where it will be assembled for shipment as the lake boats are not yet running. In a few weeks there will be trains of cars each day. The lake coal is all from West Virginia and is going north this season about a month earlier than usual.

The Portsmouth Terminal Safety Committee held their regular monthly meeting Tuesday morning in General Yardmaster E. C. Tucker's office. Several important changes in the yards were discussed. Those present were E. C. Tucker, general yardmaster; H. C. Bugh, agent; E. S. Heffner, assistant yardmaster; F. D. Munro, general yardmaster; F. M. Dutton, enginehouse; F. C. Yates, assistant to general yardmaster; P. B. Rowley, fireman and Paul Jones, clerk.

CHILLY MAY HAVE TEAM

According to information received from Chillicothe Tuesday the prospects for having a team in that city this season are much brighter than they were a few weeks ago.

A movement has been started to raise \$500, which will pay off the players and this will give the Babes a clear title to their territory. It is quite likely that Mr. Sibal will again head the Babes. Fans down this way sincerely hope this is true as Mr. Sibal is a hustler and there is no reason why Chillicothe should not remain in the Ohio State League.

A report has been current in baseball circles in Chillicothe that Lancaster is making arrangements to return to the Ohio State if the town can land a franchise.

Secured License
A. B. Diener took out a city license Monday to operate a pool room in the Maxwell building on Gallia street.

Patrol Leaders Have Good Session

The Boy Scout Leaders held one of the best sessions in the history of their organization at Manly church last night. Harry Wagner, president, presided, and after the business part of the meeting the Boy Scout Trio consisting of Scout Commissioner Kinsey, pianist; William Hopkins, violinist, and Howard Lowrey, cornetist, rendered one of their selections. Troop reports of a very interesting nature were given by Scouts Craig Miller, Williams, Wagner, Graf, Scott, Knowles, Walker and Baker. The feature of the evening's program was addresses by Scout Masters Luther Thompson and James Haislet. Mr. Thompson's subject was "The Scout and the Public School," which was a splendid and helpful talk. Mr. Haislet spoke of the value of patrol meetings as they were being conducted by his troop over at Kendall avenue. Then came more music by the orchestra, after which the association listened with much interest to two short addresses by Scouts Graf and Garrison. Graf's subject was "The Scout and Athletics," and Garrison's "The First Class Fraternity." The next meeting will be held at Bigelow church the first Thursday in April.

Big Gym Meet Tonight

There will be a big gym meet tonight at the First Presbyterian gymnasium. The program consisting of games in the Boy Scout Basketball League, and instruction in base ball by Billy Southworth. Admission will be either by Athletic Association ticket or First Presbyterian gym ticket. The first basketball game will be called promptly at 6:30 o'clock. The schedule will be: Cracks vs. Tigers; Bigelow vs. West End; C. C. C. vs. Covenanters.

EYE SPOTS

floating specks, blurred vision, pains in the eyeball, heaviness of the lids, soreness, yellow tinge to white of eye, all originate in liver or stomach disorder.

SCHENCK'S MANDRAKE PILLS

afford almost instant relief and fortify the system against recurrence of these distressing ailments. They tone the liver, purify the blood, regulate the bowels and the blood. Purely vegetable. Sold at 50¢ per box. 60 YEARS OF CELEBRATED SALE PROVES THEIR MERIT.
Dr. J. H. Schenck & Son, Philadelphia

brate with a big gym program Saturday afternoon.

Four new patrol leaders were taken in the Patrol Leaders' Association Monday evening. They were Homer Church, Marion Garrison, Howard Lowrey and Carl Walker.

The following new members have been received in the Scout Movement this week: Lynn Bender, Norman Bliss, Thomas Crenner, Melvin Garlinger, Paul Newman, Payson Gould, Harry Kah, Howard Kah, Arthur Pallock, Raymond Russell, Edgar Sawyer, Coran Stevens, Earl Wolf.

Develops Pneumonia

Henry McCarty, aged 33 years, a laborer, of 224 McKinley avenue, Columbus, developed pneumonia at the city police station. Monday and was removed to Hempstead hospital Monday evening, after having first been warranted over to the county authorities. McCarty had been to Trenton in search of employment when taken ill, and started back home, but upon his arrival here his condition had become worse. He was given lodging at the city prison, and it was found Monday that he had a high fever. Dr. W. W. Smith was called to attend him. McCarty has two children at Columbus, but his wife is dead. He formerly worked for public contractors in the Capital city.

WILL HOLD BAKE SALE

The Ladies' Aid of First Baptist church will meet on Thursday afternoon at the home of Mrs. Agnes Miller, 1310 Lincoln Hill. There will be a bake sale in charge of Squad D. All members of this squad please bring or send something in the pastry line for the sale at this meeting.

James Williams Home

James Williams arrived home Tuesday from California where he has been sojourning for the past year for the benefit of his health. He was called home suddenly last week on account of the serious illness of his brother, David Williams, whose condition has shown a decided improvement since that time.

ROOTS OUT CORNS BY PENETRATION

Dr. Hunt Finds the Quick, Clean, Painless, Effective Way. ONLY 10c.

Cutting a corn never cured it. Caustic liquids only irritate blood poisoning, and stimulate further corn growth. Corn pads are bulky and squeeze the toes. Salves are greasy. But the one way that does cure corns of all kinds and sizes is the penetration way, discovered by Dr. Hunt, of Sidney, Ohio, a physician who has spent a lifetime in the development of this new principle of curing corns by penetration.

Dr. Hunt's New Corn Cure comes in the form of a clean, handy plaster. Six plasters last a box. 10¢ per box. Size of corn and apply. Justify the pain is eased. All you feel is the soothing effect. The plaster does not bulge like clumsy pads.

Now see what happens: In two days the corn has become so thoroughly penetrated that it can be easily and quite painlessly lifted out, root, branch and all.

Remember, this principle is new. It is different from anything else offered as a permanent cure for stubborn corns. And a box full costs only ten cents. Money back if not delighted. Sold by druggists and shoe dealers everywhere. Or, send ten cents in stamps to American Chemical Company, Sidney, Ohio.

NOTICE To All Gas Consumers

When using a gas range, if the flame blackens the utensil, it is because the burners need cleaning and adjusting. If the flame in the heating stove is yellow, it is due to the same cause.

If you are having any of these troubles, notify us, and we will have a man call and adjust your stove.

The Portsmouth Gas Co.

GAS! GAS! INDIGESTION, SOURNESS SICK STOMACH—PAPES DIAPEPSIN

If you feel bloated after eating and you believe it is the food which fills you: if what little you eat lies like a lump of lead on your stomach; if there is difficulty in breathing after eating, eructations of sour, undigested food and acid, heartburn, brash or a belching of gas, you need Pape's Diapepsin to stop food fermentation and indigestion.

It neutralizes excessive acid stomach poison; absorbs that misery-making gas and stops fermentation which sours your entire meal and causes Dyspepsia, Sick Headache, Bloating, Constipation, Griping, etc. Your real and only trouble is that which you eat does not digest, but quickly ferments and sours, producing almost any unpleasant condition.

A case of Pape's Diapepsin will cost fifty cents at any pharmacy here, and will convince any stomach sufferer in five minutes that it is the only relief for Sour Stomach, indigestion and Sour Stomach, causing the misery of indigestion.

No matter if you call your trouble Catarrh of the Stomach, Nervousness or Gastritis, or by any other name—always remember that relief is waiting at any drug store the moment you decide to begin its use.

Pape's Diapepsin will regulate any out-of-order stomach within five minutes and digest promptly without any fuss or discomfort, all of any kind of food you eat.

Men's Spring Suits MADE-TO-MEASURE At \$15.00 And Up

Have your measure taken Thursday, Friday or Saturday at Anderson's

As advertised previously, our tailor from Cincinnati will be in our merchant-tailoring department the last three days of this week, showing spring and summer materials for men's suits, and taking measurements. The finished suits will be delivered at Easter or any other time the customer suggests.

As is well known, by hundreds of satisfied wearers, these made-to-measure clothes for men from this store, are the very highest in quality as well as style that can be produced, and the most particular men of the community wear Anderson's tailor-made suits.

We sell no ready-to-wear clothing at all. Nothing but high class tailored-to-order garments can be secured from us, while the prices are no higher than for good ready-to-wear.

Come in during this three days' visit of our tailor and have a look at the new fabrics.

Suits \$15 and up.

The Anderson Bros. Co.
COR. CHILLICOTHE & THIRD STS.

CAN YOU IMAGINE

George Washington attired in a red sweater and shin guards on a football gridiron;
Abraham Lincoln in a Tartan plaid Norfolk jacket suit with a wrist watch and his handkerchief tucked in his sleeve;
William Shakespeare clad in white flannel trousers and a square crowned Panama hat;
Peter, the hermit, in irreproachable evening clothes, including dancing pumps, a crisp opera hat and a mushroom shirt?
We can't, can you?

THERE IS NO IMAGINATION ABOUT OUR CLOTHES--THEY ARE THE REALISTIC KIND--CLOTHES THAT STAND FOR CHARACTER, STYLE AND WORTH--THE KIND THAT BRING OUT YOUR BEST POINTS.

We are headquarters for men's strictly Hand Tailored Bench Made Clothes--Built to Measure. Our clothes are built right here in Portsmouth. We are serving customers with garments suitable to each individual from the smart extreme young men's models to those of more conservative.

BEAUTIFUL ASSORTMENT OF WOOLENS. DARK GREYS PREDOMINATE IN PLAIN AND FANCY MIXTURES.

AUTO TRUCK STRUCK BY A STREET CAR

An auto truck belonging to Reilly Bros., commission merchants, was considerably damaged when a Hill-top street car crashed into it at Fourteenth and Findlay streets Tuesday morning.

Ben Reilly was driving the truck and had just left Walter A. Doerr's grocery and was crossing the tracks headed for Fourteenth street, when the southbound street car, in charge of Motorman Ben Osborn and Conductor Harry Dixon, struck the tailgate, swinging the truck around and tearing off a rear wheel, which caused the truck to upset. Eggs, creamery butter, lemons, apples and other produce were strewn under the street car and all over the street.

Mr. Reilly kept his seat and escaped injury. Some glass was broken out of the front end of the street car.

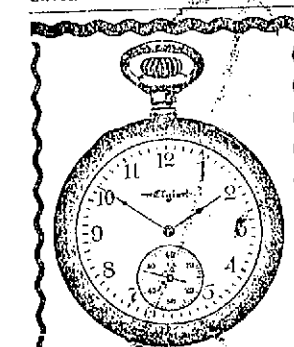

Don't forget Moose nomination of officers tonight. Be there. 2-1

FORMER RESIDENTS OF CITY SUFFER IN A FIRE

Friends in this city of Mr. and Mrs. Julius Reising, former Portsmouth residents, will regret to learn of a misfortune which overtook them last Sunday afternoon at their home in Rochester, N. Y. A four-year-old boy, playing with matches, set fire to a rooming house which they occupied in that city, and the house and its entire contents were practically destroyed.

Eighteen people were in the house at the time the fire broke out, but all escaped without injury. Among the heavy losers were another former Portsmouth couple, Mr. and Mrs. Brooks Bowser, who lost all of their personal effects, including many valuable wedding presents. Mr. Bowser, who is a traveling salesman, was in Boston, Mass., at the time of the fire.

The house, which was a 23-room affair, was located one square from Main street in Rochester. It was well insured, as well as the furniture, which was a total loss. The mother of the little boy, who was sick in bed at the time, and this enabled the flames to gain quick headway.

Mr. Reising was employed for several years as a cutter in the Schuyler Shoe factory, and he and his wife resided on Harvard Place.

Lodge Of "Geeks" Formally Organized

A society to be known as the Geeks and which will be linked with the Moose lodge of this city and eventually will be a feature of Moose lodges throughout the country was organized Monday night at a meeting held in William Barron's rooms in the Turkey building. The following officers were elected:

Glorious Geeks, Charles Wilson, past officer; Grand Geek, Si Strauss; Hon. Geek, Paul Eschborn; Gravel Geek, Henry Fairbairn; Gravel Geek, Dick Richards; Gravel Geek, Dr. Joseph Lake; Guiding Geek, William Barron; Guiding Geek, Dr. C. D. Tatle; Growling Geek, Fred Buchanan; Gubby Geek, Louis Levi; Gay Geeks, Pete Smith, John Milikan and Roy McElhenny.

Val Lee, life member of the Moose, invited the Geeks to attend the Thursday night performance of the Barrett Players at the Sun theatre. A committee composed of Charles Wilson, William Barron, Dick Richards and Dr. Orval Tatle was named to adopt a suitable ritual and constitution.

At the conclusion of the meeting a banquet was served by Caterer Jacob Pfann. The 100 Geeks will be known as Group No. 1. The Tronton Moose lodge has already applied for a charter.

HOUSEHOLD DUTIES AND FAMILY CARES

severely for a woman's strength, and when wife or mother complains of fatigue, nervousness or loss of appetite she needs rest, and building up. The first thought should be Scott's Emulsion, which at the same time builds up the body and restores the strength for forty years of just such conditions. It is a simple, direct, forceful work in uniting with nature to overcome languor, fill hollow cheeks, enrich the blood, and restore the healthy glow. There is no stimulating alcohol or stupefying drug in Scott's Emulsion. It is a pure, rich, food medicine and extra drop yields direct returns in nervous strength. For overworked, nervous women nothing equals or compares with Scott's Emulsion, but be careful to avoid the alcoholic substitutes.

CRUSADE ON MINORS

Police Capt. Grant Cooper made the rounds of pool rooms and saloons Monday night to renew a crusade against minors visiting such places.

Notice was served on all proprietors not to permit minors to visit their places, the law barring youths under 18 years of age from patronizing pool rooms. A dozen saloons were visited by the Captain, but no minors were found in any of them.

Returns To Farm

Health Board Held Spirited Discussion, Where Is Assistant

The board of health at its monthly meeting Monday afternoon was plunged into a rather spirited discussion on the milk situation in Portsmouth when Dan Labold, a member, wanted to know why milk was retained cheaper in Cincinnati than it is in Portsmouth. Mr. Labold stated that milk sold for nine cents here and it could be purchased for 8 cents in the Queen City. This evoked a general discussion in which many opinions were expressed about the milk situation here. Mr. Labold did not intend to state that there was a "combination" among the dairymen of the city and county, but that it was singular that one could buy the lactical product cheaper in Cincinnati than in a smaller city.

Mr. Linck said that different qualities of milk were sold here, and that is the chief reason why milk sold for nine cents. He stated that he paid ten cents for milk and he got a high grade of it. He also stated that he understood that milk in Tronton and Chillicothe retailed at a higher price than in Portsmouth. Dr. A. L. Test stated that the price received in Cincinnati had no bearing on what was asked by local dairymen any more than local farmers should sell their potatoes for what Cincinnati dealers were paying. Dr. Test laid great stress on the care that should be exercised in handling milk, rather than on the price. He said it was a mistake to feed milk to a baby that had stood all day in a pan. He also advanced the theory that when Front street was paved and the flood wall extended to Officers street, much of the dust that settles over the city would be eliminated, as Front street east of Chillicothe was always either very muddy or dusty, and once paved a source of infection and contamination would be removed. He expressed the opinion

that dairymen, as a rule, kept their places clean, but he was told of one man who has been furnishing milk of late, whose barn and dairy were in an unsanitary condition.

No Milk Trust Exists Here
Capt. James Smith felt like Dr. Test did about the matter. He did not believe that a milk trust existed in the city and that milk retailed for 10 and 11 cents was worth it. Health Officer Dr. Smith said he paid ten cents for his milk and he got a fine grade of milk. City Bacteriologist Dr. Walter Duclier stated that while milk may sell as low as eight cents in the city a certified grade of milk sold for as high as fifteen and eighteen cents. A motion was made to have the committee on dairy products look into the matter, and it carried. The committee is composed of Test, Linck and Fetter.

Mr. Labold then brought up that bugaboo, the city assistant physician question, again. He wanted to know who called off Dr. W. A. Quinn after it was announced that he would be paid out of a private fund. "This matter makes the board look ridiculous," said Mr. Labold. He stated that if there was no necessity for an assistant now, there never had been, and somebody was afflicted with "cold feet." Dr. Test said that a member of the board had stated that the assistant city physician appointment had better be "held off" and that was the last he heard of it. Dr. Test stated that he thought there was need for such a person, and that he for one was willing to dig down in his pocket and help pay the assistant's salary rather than be called out at all hours of the night to make calls for which he knew he would not receive a cent.

Came In After Discussion Ended
City Physician Wendelken came in just after the discussion had been concluded. As persons who were credited with making statements on the matter were not present the question of who called off Dr. Wendelken's assistant was allowed to go over until the next meeting. Mr. Labold said he regretted the situation and that it served to discredit the board with the public.

Dr. W. W. Smith then read a report of the annual meeting of the State Health Board, which he attended in Columbus. It was comprehensive in character and Dr. Smith was highly complimented by the board members for the efficient manner in which it was presented.

The schedule, amounting to \$361.75, was allowed.

Members of the board expressed sincere regret over the serious illness of Dr. Fetter, an active member of the board, and Clerk Bernat was authorized to draft a resolution regretting Dr. Fetter's condi-

tion and to wish him a speedy recovery. A copy of the resolution is to be sent to Dr. Fetter's relatives.

The report of Dr. W. W. Smith, health officer, for February, showed that he attended to nine cases of contagion during the month, seven of diphtheria and two of scarlet fever. One death had resulted from diphtheria and at the present time there is but one case of contagion in the city.

The hog question is one that is causing the health officer much concern at present, he reporting that a large number of local people were purchasing hogs and installing them in pens in this city. He advised that strict compliance with the regulations of the board would be insisted upon in every instance.

City Physician C. W. Wendelken reported that he had made 243 house visits and attended to 72 office calls, handled 2 obstetrical cases and performed one surgical operation during the month.

City Bacteriologist Dr. J. W. Duclier submitted his report as follows: Bacteriological examination of throat swabs, 7; bacteriological examination of cerebro spinal fluid, 1.

Plumbing Inspector Arthur Hanton submitted the following report: Inspection of new systems, 4; inspection of old systems, 28; inspection of extensions, 10; complaints investigated, 27; miscellaneous inspections, 20; final inspection, 1; total inspections, 101; alterations, 3; sold

If You are troubled with heartburn, gases and a distressed feeling after eating take a **REXALL DYSPEPSIA TABLET** before and after each meal and you will obtain prompt relief. Sold only by Rexall Drug Stores.

This is the Stove Polish YOU Should Use
It's different from others because more care is taken in the making and the materials used are of higher grade.

Black Silk Stove Polish

A Shine in Every Drop

buildings connected to sewer, 6; old buildings connected to cess-pool, 8; new buildings connected to cess-pool, 2; specifications examined and approved, 22; permits issued, 22; amount received for permits, \$56.50; clean vaults, \$2.50; digging vault, \$3.00; total, \$62.00. Mr. Hanton submitted a new hand, which was approved.

Plumbers Submit License Bonds
The following plumbers submitted license bonds, which were approved: Saunders-Watrons Company, Charles P. Stamm, J. W. Taylor, Joseph Loviner, Charles Barlow, John Bergen, Doerr Plumbing Company, Walters Plumbing Company, K. N. De Lang, Henry Cooper, Charles Seely, Fred E. Doerr, Stevens & Youngman, C. H. McCarty, Thomas W. Watkins, The Trischoller Company and Schmidt-Watkins. All members voted to approve the bonds except Mr. Labold, who voted in the negative. He suggested that all bonds should be carefully inspected before being approved. All the firms have been in business and other members of the board felt that the bonds submitted were bonafide. The plumbers will all be granted new licenses.

Clerk John Bernat filed his annual report with the board, which showed an aggregate expenditure of \$4515.20. Deaths for the year

numbered 440 males, 246 females; 194; whites, 412, blacks, 28. Births, 636; males, 308, females, 328; whites, 621, blacks, 15. The death rate was 14.66 per thousand and birth rate of 21.20 on the thousand, estimating the population of the city at 30,000.

The city physician made 2460 house visits and attended to 377 office calls; handled 29 obstetrical cases, and performed 19 operations.

Inspections by plumbing inspectors, 260, new work; 190, old work; 123 extensions; investigated 276 complaints; made 260 miscellaneous inspections; 417 final inspections; a grand total of 1240 inspections. He found 140 defects, all of which were remedied. He collected \$903.25 for permits; approved 321 specifications of plumbing; issued 171 permits for construction and cleaning of vaults.

One hundred and thirty-seven inspections were made by the dairy and milk inspector, resulting in the revocation of seven licenses.

An Amusing Incident

occurred yesterday in front of our store; a traveling salesman accompanied by "Tom", the Washington's favorite baggage pusher with his little cart, came rushing up Chillicothe street at a rapid gait presumably to enter the Atlas and sell us a big bill when our OUTLET SALE display of undergarments caught his eye. He looked at it for about 10 minutes, then slowly and sadly wended his way down street again.

HE SAW THAT HIS GOODS COULDN'T COMPETE WITH OURS AND LOST HIS NERVE.

FRUSTRATE PLOT TO DYNAMITE BIG CATHEDRAL IN NEW YORK

PLAN TO ASSASSINATE MILLIONAIRES AND RAID N. Y. BANKS IS HALTED

New York, March 2—An attempt to blow up St. Patrick's cathedral with a bomb today and the arrest of two men by detectives who had been informed for months of their activities, was followed by an announcement made at police headquarters that the arrests had balked an anarchist plot to kill with bombs Andrew Carnegie, John D. Rockefeller, John D. Rockefeller, Jr., and other wealthy men. Thereafter the anarchists, according to the police were to inaugurate in New York City a reign of terror comparable only to the days of the French revolution.

It was part of the plot, the police assert, for gangs of men armed with rifles and revolvers to appear simultaneously in various parts of the city to shoot and to pillage; the biggest banks of New York City were to be blown up and many wealthy men were to be slain.

Looting and Pillaging Of City Are Planned For

The wrecking of the cathedral was to be the signal for the opening of the elaborate campaign of murder and looting. The next move, according to the police, was to place the bombs in the homes of Andrew Carnegie, the Rockefellers and Cornelius Vanderbilt. So far had the plot progressed, toward this end, that the manufacture of the bombs, the police say, had already been started.

With these and other capitalists disposed of the anarchists planned, according to the police, to invade the financial district and lay their bombs in the city's biggest banks. General looting was to follow.

Detective Works In Inner Circle of Anarchists

For months a central office detective had worked in the inner circle of the anarchists, according to the police story, and had kept the detective bureau advised of all their plans. This detective, Frank Baldo, assisted in the manufacture of the bomb with which the attempt was made today to blow up the cathedral. The detective accompanied the bomb thrower to the edifice and sat with him while he lighted the bomb and hurled it at the altar.

800 In Cathedral When Bomb Is Thrown

Immediately the cathedral, in which 800 persons sat at worship became alive with detectives whose presence had been unsuspected by the bomb carrier. Bal-

Is Leo Frank To Die?

The United States supreme court will shortly decide whether Leo Frank, convicted of killing Mary Phagan in Frank's factory at Atlanta, will die for his crime. The charge was that public sentiment was against Frank because he is a Jew and that the court allowed the jury to be influenced. On occasion of the first argument differences of opinion caused a verbal passage at arms between Justice Holmes and Justice Pitney.

do, sitting beside him, placed him under arrest, detectives sitting in the pew behind, dashed into the aisle and stamped out the sputter-

ing fuse. The congregation hardly realized what had happened when it was all over and there was no panic.

U. S. WILL PROTEST AGAINST ALLIES SHIPPING BLOCKADE

PLAN ORGANIZATION OF AMERICAN LEGION OF HALF MILLION MEN

Washington, March 2—While awaiting reply from Major General Wood, in command of the eastern department, to his inquiry concerning the launching of a movement in New York for the creation of a three hundred thousand reserve force to be known as the American legion, Secretary Garrison today continued to decline to discuss the matter or to indicate what his official attitude would be. At Mr. Garrison's direction, Brigadier General Hugh L. Scott, chief of staff of the army, has sent a clipping of a published report to General Wood with a request that General Wood forward all the information obtainable on the subject.

Enrollment of Members To Be Started Tomorrow

New York, March 2—Headquarters of the American legion will be opened in this city tomorrow and, according to statements issued by organizers of the movement, the enrollment of members will be begun at once. Already 500 men have signified their intention to join the organization and within a year it is expected that half a million men will be wearing the red, white and blue button of the new national defense movement.

Further details of the plans of the American legion were published today by Dr. J. E. Hunsman, its secretary. It is to be controlled by an executive committee of four men, two of whom probably will be ex-secretaries of the army and two ex-secretaries of the navy. This committee will be announced as soon as the fourth acceptance is received. In co-operation will be an advisory board of between 40 and 50 men, chosen from all parts of the country. Their selection will probably be made in the first instance by the executive committee, who also will have charge of assigning members to their various ranks.

Took Exam

Milton T. Newman, of Peebles, took the chauffeurs' examination here Monday.

126 MEN ENTOMBED IN A MINE

Hinton, W. Va., March 2—It is reported here that one hundred and twenty-six men were entombed at 8:30 o'clock this morning by an explosion in a coal mine at Gentry, W. Va.

VOLCANO ACTIVE

Redding, Calif., March 2—Streams of mud have been emitted from the main crater of Lassen peak during the last few days, according to reports reaching here today from Macomber Flat and Shingletown. A streak of viscous black was reported by observers as extending from the crater to the timber line. It was a mile long and about 20 feet wide.

San Francisco, March 2—The Japanese boycott instituted at the direction of the Chinese Six Companies, because of Japan's demands on China, was being observed in cities throughout the Pacific coast today, with the exception, it was said, of Los Angeles and Seattle, Wash.

ACTION IS REGARDED AS UNPRECEDENTED; WILL DO HARM TO U. S. COMMERCE

Washington, March 2—The announced intention of Great Britain and her allies to prevent the shipment of all supplies to and from Germany in retaliation for the German submarine campaign commanded close attention in official and diplomatic quarters today. It was considered virtually certain in official circles that a vigorous protest would be made against what was regarded as an unprecedented step. As viewed here, it was looked upon as one of the most far-reaching developments of the war and one calculated to work irreparable harm to commerce between the United States and the nations with which she is at peace.

The allies plan, as officially communicated to the United States, has been laid before President Wilson and the whole matter was the subject for deliberation at today's cabinet meeting.

Great Britain's assertion that the announcement is not her reply to the informal American proposals to the belligerents looking to unlimited shipment of foodstuffs to civilian populations and seeking the elimination of submarine warfare on merchant ships and the indiscriminate laying of mines, gave some hope that the retaliatory measures might be temporary only. The next American move will depend somewhat on these replies. Germany's already is on its way. It accepts, in principle, the American proposals.

Stoppage of all commerce with Germany, American officials hold, is much more serious than a blockade, since it will prevent shipments to neutral countries when the allies believe the eventual destination of cargoes is Germany. It will work particularly grave injury to America's cotton trade.

THE WEATHER

Ohio—Partly cloudy tonight and Wednesday. Slightly colder tonight in northwest portion.

INNER FORTS OF THE DARDANELLES TARGET FOR WARSHIPS SHELLS

Paris, March 2—Bombardment of the inner forts of the Dardanelles was resumed at 10 o'clock yesterday morning, says an Athens dispatch to the Havas Agency. A Russian admiral, delegated to attend a council of admirals, has joined the allied fleet in the straits, making the trip by way of Dedeagatch, seaport of Bulgaria and terminus of the railway line from Adrianople and Saloniki.

A dispatch from Saloniki states that mines and submarines destined for the defense of Dedeagatch have arrived at that port. According to the Havas dispatch, fire from the guns of the allied fleet has destroyed the batteries of Kilit Bahr and Fort Sultanik (Chanak Kalesi) which guard the entrance to the narrowest part of the straits.

Information from Mitylene and Tenos is to the effect that over 100,000 Turks have been posted along the coast of the Gallipoli peninsula, near the sea of Marmora, about 130 miles from Constantinople.

DIES IN 108TH YEAR

Bessmer, Ala., March 2.—Ass Goodwin, said to be the oldest man in Alabama, died here yesterday on the evening of his 108th birthday of pneumonia. Goodwin was born in Georgia in 1807. He has 74 grand children, 227 great grand children and 15 great great grand children.

DISCUSS FREIGHT RATES

Chicago, March 1.—Vice presidents and traffic managers of all the trans-continental railways of the United States are meeting here to arrange freight rates to comply with the recent order of the Interstate Commerce Commission lowering rates to coast terminals and increasing rates to intermediate points.

Times Specials And The Play House Five Win At Bowling

The Play House Kids and Times Specials were the winners at bowling Monday night, Wilson's Five forfeiting three games to the latter enders, while the Times Specials took the leaders down the alleys for two out of three. No phenomenal scores were made, although the totals rung up by the Times Specials were a little better than formerly. Wilson's Five failed to put in an appearance and the Play House Five rolled on alleys 2 and 3, putting up poor scores, due to the fact that there was nothing at stake. "Yank" Dodge was the boss bowler for the Play House, he averaging well over 100. R. Smith was second best, while Captain Byron, President, experienced a regular night-mare, his scores being of the kindergarten stakes. Campbell and Mantel were away off their stride. Captain Sheridan of the Times Specials had a fair night, getting best average and high score. George Wilhelm was next on the bill of fare, close followed by "Doc" Gordon, who rolled his first time as a member of the Peerless league. Bycott got a couple of fair games and then hit the chumps. Dan Lloyd held up his reputation in two games, while Francis Du-chail was there with the balls on 'n the only game he shot.

John Doherty was the boss bowler of the Malavazos Kandy Kids, all his scores being of fair proportion. Smith was fair, so was Captain Wanless. Malavazos had one big game, but experienced hard luck in his first two games. Bauer was only fair, but his efforts were commendable. The scores:

PLAY HOUSE		
Dodge	119	190
Mantel	151	122
Smith	142	150
Campbell	121	115
Prodiger	141	181
Totals	720	747

Malavazos	151	123
Wanless	170	118
Totals	795	711

Is Mack Going To Make A New Pennant-Winning Team?

HARRY DAVIS

There is much speculation as to whether County Mack will succeed this year in making another pennant-winning aggregation of the Athletics. All of the great organizers' abilities have been bent in this direction.

Chief among the needs of the Athletics is a pitching staff, which has been weakened by the release of Bender, Combs and Plank. Youngsters have to be trained to take the places of these veterans. So Combs has decided to make some new pitching stars, and he has taken for Thomas, the catcher, away from the captaincy of the team and given to him the task of training the new young pitchers, of whom there is a likely bunch now under contract with the Athletics.

To succeed Thomas, Mack has brought Harry Davis back to captain his players. Davis was one of the old reliables of the earlier days of Philadelphia championship, but he has recently played in Cleveland. With Davis to run the team on the field, many others, young players are likely to be developed. Davis was responsible for the development of many good youngsters when the Athletics were consistent pennant winners. A new trainer has been engaged for the Athletics, and it looks as if the educated Philadelphia manager were starting to put together another combination of world-beaters.

AND ONE MORE

McGraw has signed a young pitcher named Seitz. It is understood that Seitz will team with Paul Merkle.

DEPART FOR LAKE LAND

Louisville, Ky., March 2.—Ten players of the Louisville American Association club in charge of Manager John Hayden, left today for their training camp at Lake Land, Fla. Nine more men will join the party en route.

The team will remain in Florida 26 days and will play 15 games with other clubs while there.

To Build Park

St. Louis, March 2.—President Gilmore of the Federal league today said the league would build a permanent ball park at Newark, N. J., and had no intention of transferring the Newark club to New York. Another club would be transferred to New York next year.

Gilmore said the Federal league still claimed the ownership of James Austin, the third baseman who jumped from the Pittsburgh Federals back to the St. Louis Americans and that if Judge Landis in his approaching decision upheld the contention of the Federals, the league would fight for Austin. Walter Johnson and other players who signed with the outlaw organization and then went back to organized ball.

Yes, Are They?

It was understood that the National league passed a new rule prohibiting any Southern trips before March 4. Yet a large squad of the Giants had been at Martin for a week, batting, fielding, pitching and having general practice according to the regular custom. Are the giants immune to rules and regulations?

Will Coach Yankees

Charles Farrell, former catcher, will be coach of the New York American league team players. Years ago when Wild Bill Donovan, now manager of the Yankees, was pitching on the Washington team, Farrell was his catcher.

IS JOHNSON TO FALL TO WILLARD?

If travel between Cuba and Mexico is all right, Jack Johnson and Jess Willard, the white hope, will decide the world's heavyweight championship at Juarez, Mex., in April. Johnson is also insistent upon the protection of the present Mexican government. In any case, the bout will be a notable one.

GIBBONS AND M'GOORTY IN A MIX-UP TONIGHT

Hudson, Wis., March 2.—Mike Gibbons, of St. Paul, and Eddie McGorty, of Oshkosh, were ready for their 10 round no decision bout here tonight. Harry Stout, of Milwaukee, will referee.

SAYS TELEGRAM WAS FAKE

It is now claimed by some of those interested in the Willard-Johnson fight being held at Juarez, Mexico, that Jack Johnson was to take place at Juarez, when he arrived in Cuba, saying that the fight could not take place at Juarez. Promoter Farley is supposed to explain to Johnson, when he arrives in Havana, that there will be no trouble in getting Johnson to Mexico, and that the program as arranged can be carried out with but one exception, the date of the fight, being set back.

ARE THROUGH WITH CENTRAL LEAGUE

Terre Haute, Ind., March 2.—The efforts of President Louis Hollenbeck, of the Central league, to persuade the owners of the Terre Haute club to agree to remain in the league have been unavailing.

NOT A SINGLE BID MADE

The St. Paul club was put on the block Monday and not a single bid was made for the club. It is said this club lost \$18,000 last year.

To Let Out 15 Players

Manager Herzog of the Reds has a great task ahead of him. He must let out about 15 players after the training season is well under way.

Offices Closed

The Portsmouth Culvert Company has closed out its offices in the First National bank building. Dave Edwards, until a short time ago, was employed by this company. Dave Jones, who was employed as a stenographer by this firm, is now employed in a similar capacity by Stanley Hopkins, of the Whittaker-Glessner Company. The Portsmouth Culvert Company has been taken over by the Wheeling Corrugated Company, it was stated Monday at the offices of the Whittaker-Glessner Company.

Had Good Trip

After a successful month's trip through West Virginia for the firm he represents, William Kugelmann arrived home Sunday from Wheeling.

Duck Pin League May Be Organized

That Portsmouth has several duck pin artists who are now ready to qualify for the championship stakes, is shown by the splendid scores that are being hung up at the Play House alleys of late. Yesterday Wells A. Hutchins stepped into the line-light by gathering a score of 142, getting six credits, four spares and two strikes. Mr. Hutchins is one of the most enthusiastic bowlers in the city and not only secures splendid exercise out of his efforts, but a bunch of fun as well. The other day Jim Kelley toppled the little pins for a score of 150, a split in his last frame keeping him out of the 160 stakes. George Krieker is coming strong, if he has no effort for him at all to shoot 135. Henry Atlas is a devotee of the game and he looks with disdain on anything less than a 125 score. Squire John Byron is a steady, consistent roller, and makes 'em all step some. Ed Kelley is one of the surest shots in the city, and thinks but little of a 130 score.

Remember that a 150 score at ducks is almost equal to a 275 score at ten pins. A duck pin roller is generally satisfied when he averages 100 for several games. It is now proposed to organize a duck pin league. Four teams can be organized and they will be pretty evenly balanced. The players can be selected from the following: Messrs. Krieker, Hutchins, Martin, Kelley, Harold, Wilhelm, Atlas, Wamster, Byron, Smith, Charlton, Nichols, Campbell, Daugherty, Tyner, Young, Lloyd, Purcell, Nodder, Heisel—yes and a dozen more.

THE DR. LAKE CHARGES.

It is well that the charges made by the Portsmouth Star are to be investigated by a competent committee, although it is doubtful if that committee has the necessary warrant in law for its actions. However that point should be waived by all concerned, that justice may be done and the ugly situation be cleared up.

We are not informed as to the evidence upon which The Star based its demand for the resignation of Dr. Joseph Lake, director of public safety, and the probe of hospital affairs and other city departments. It is to be assumed that it must be of a serious character, in the eyes of the editor, to warrant publicity to such a demand. Otherwise The Star has been guilty of a serious reflection for which it must stand responsible. As it is the paper should be given full opportunity to show why it felt impelled to call upon Mayor Frick to remove one of the important officials of the city. It is equally due the accused official and others in authority that the investigation be of a sweeping character. If they are innocent, as they claim, it is due them and due the public, that the fact be clearly and thoroughly established that there may be no more talk and they be set right in the eyes of the community, and be unhampered in their official capacities. It is fortunate that this matter came into prominence at a time when it can be given calm investigation, uninfluenced by the heat and clamor of a political campaign. The way is clear for calm, judicial consideration of the charges and the evidence, and the truth or the falsity of the charges can be easily made plain.

There should be no delay, no quibbling over technicalities. Public interest demands the facts, and whatever action developments may warrant.

THE VON HINDENBURG CARTOON.

That was a great cartoon sketch our artist, Shonkwiler, made of Von Hindenburg, the great German soldier, which appeared in Monday's Times. It was a faithful idea, that making soldiers stand for his hair and equipment and rifles for his eye brows, but some way as one thinks of what a wonderful man of iron and warfare Von Hindenburg is, the idea assumes concrete form, and its fitness is apparent. That many others appreciated the strength of the idea is shown by numerous words of praise given the author.

Von Hindenburg, to date, is the one great, powerful, resolute, enterprising general on either side of the European conflict who has measured up to the popular conception of a successful leader of men as compared with the standards of the past. Like Caesar, Napoleon and Grant, his genius for leadership is on a higher plane than that of his contemporaries and readily attracts the eye and commands the attention of him who would observe the progress of the war.

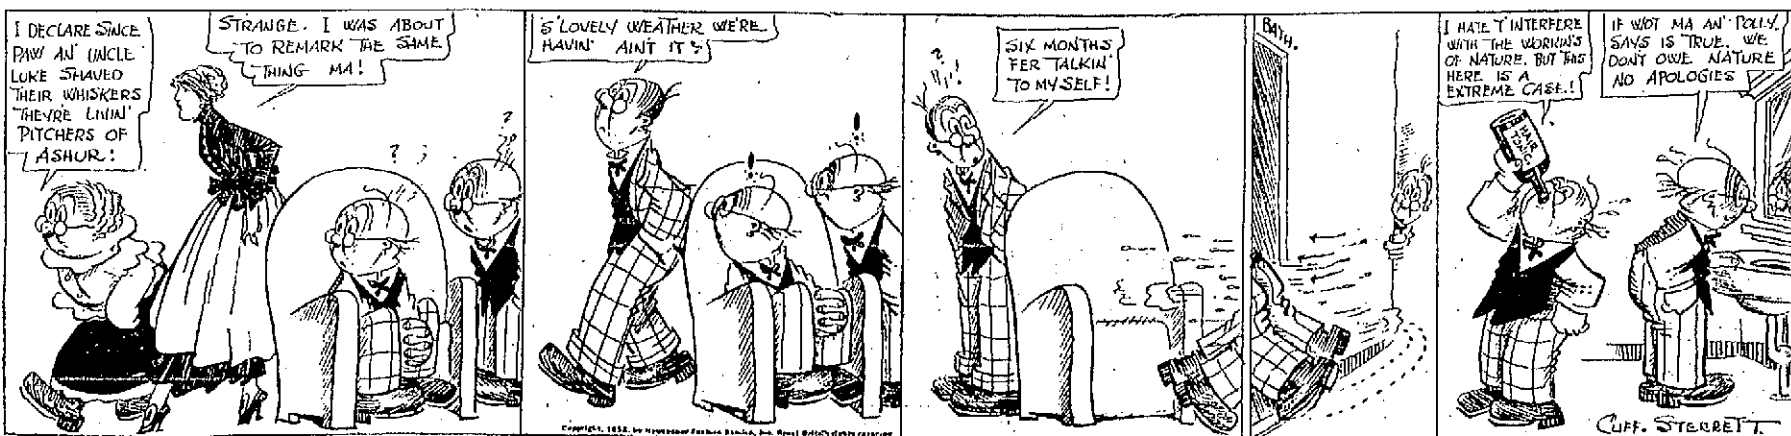

It may be that in time the fortunes of war will turn against the German arms. But if they do, we predict that one grim, picturesque old Prussian general will give terrible account of himself before he is finally crushed. For he is made of steel and unyielding stuff, the kind of a fighter who will fight until life is extinct, but who does not know the meaning of the word, "surrender."

A POINT OVERLOOKED.

There is no question that the public is in hearty accord with the position of Mayor Frick that the water works plant shall not be accepted until demonstration is satisfactorily made that its construction is in compliance with the specification, and terms of the contract. In the multiplicity of weaknesses that have so far developed in the operation of the plant it seems to be overlooked charge has been made that in a most essential point the terms of the contract have not been kept, this point having no reference to bad workmanship or defective machinery.

It will be recalled that in discussions of the progress of the work and weaknesses in its execution it was asserted the pump station was built two feet lower than the plans called for and for this reason, besides the fact that it was ill advisedly located, did not have that adequacy of protection against invasion by flood that the people believed was guaranteed for it. Whether or not there is any actual basis for this claim, is not known, yet in its very nature it is so serious that it is really a public obligation that its truth or falsity should be established. His Honor is to be trusted to look into the matter and then take his trusty typewriter in hand and let us be advised of the actual fact.

POLLY AND HER PALS

LIVING HIGH

HAD HIS VIRTUES.

Frank James, once nationally notorious as a train and bank robber and outlaw, died recently. His case proves that, the vastly wicked mortal is not necessarily depraved, that is, wrong all the way through. For Frank James if he had his startling virtues also had admirable virtues. He was brave, his loyalty to friend was superb, his word a finality and he abhorred profanity. No peril unnerved him, without hesitancy he put his life to peril for rescue of comrade, when he said he would quit his lawless career he quit and stayed quit, in manner and speech he was a gentleman. Nothing was remoter from him than the swaggar and brag of "the bad man" and a person could not have been more circumspect than he in the words that his tongue uttered. Harsh and cruel necessity made him set his hand against his fellows and his career was more the instinct of self preservation than the choice of the criminal and the robber. When a generous governor pardoned him, resolutely he set himself in the ways of honesty and good citizenship and when he died no man more surely held the confidence and esteem of neighbors and associates.

HE HAS IT PRETTY SOFT.

(Columbus Dispatch)
 Speaking of a gentleman who rode by in a limousine the other day, a friend remarked, "He has it pretty soft", and let it go at that. And those who heard him make the remark, accepted it without a word of comment.

The truth is that the gentleman enjoying the comfort of this splendid motor had passed middle life, grown gray at the top and showed the bloom of time. From boyhood he worked hard, and intelligently. When most of us were at home and in bed asleep he was planning and devising the next day's business. He used the intellect that he inherited in the upbuilding of the community. No man ever worked harder—and no man works harder than he still works. So if there is a man on earth who ought to have it easy, he is the one.

But we do not think of all of that in hurling our criticisms. We do not take into consideration the sacrifices that are made in other directions, in order that comforts and luxuries may be procured. "He has it pretty soft"—that is the sneering insinuation we hurl at successful people, instead of saying, "Wouldn't it be a glorious world if every one had the foresight and the force to so conduct his affairs in his early life that in his later life he might have it pretty soft."

PLANT RESUMES

Giving employment to 100 men the new plant of the Webster Brick company located at South Webster, began operations Monday.

It will have a capacity of 80,000 vitrified brick per day it was stated Monday. Harry Strong is general manager of the plant in which several Portsmouth people are interested.

Making Good
 "I never bluff about my goods, sir. I either put up or shut up."
 "What goods do you deal in?"
 "Umbrellas."—Baltimore American.

His Memory Is Failing Evidently
 To the Editor: Will you please tell me what day of the week July 4, 1831, fell on? I have forgotten.—Mayville (Pa.) Banner.

What the Stork Does With All The Red Heads
 Born, Monday night, to Steve Manley and wife, near Reynolds-ville, a pair of red-headed girls. A similar thing happened in Mr. Manley's family once before and while Mr. Manley is not on the best terms with the stork, he was in the Outlook office Tuesday and seemed to be standing the ordeal like a hero.—Owings (Ky.) Outlook.

Safety First
 She: George, dear, here's a scientist who says the earth is wobbling on its axis. What do you suppose they can do about it?
 George (absently): Open up the muffler, reverse the lever, shut off the power, lubricate the bearings and tighten the wheel cap.—Cleveland Plain Dealer.

Making History
 A suffragette was laying a corner stone.
 "What shall we put under it?" was the question.
 "Samples of the current coins," was suggested.
 "No," declared the leader, "the men used to do that. We'll put a hobbie skirt, a bunch of puffs and style book for 1915."—Louisville Courier-Journal.

More of The Same
 A young wife recently went into a grocer's shop and addressed the grocer thus:
 "I bought three or four hams here a month or so ago and they were fine. Have you any more of them?"
 "Yes, ma'am," replied the grocer. "There are ten of those hams hanging up there now."
 "Well, if you're sure they're of the same pig, I'll take three of them," replied the young wife meekly.

Rules for Garden Making
 Extreme care should be taken to plant the onions right side up. The tops should come out of the ground first.
 The wife's perfume atomizer should not be used for spraying poisons bugs with Paris green if she expects to use it afterward.
 Strawberries, in order to pay, should be raised when they are selling for 50 cents a quart. Why wait until they are cheap?
 Grow long cucumbers not short ones. It doesn't cost any more to raise a 12-inch cucumber than it does to raise a six-inch one and your friends will enjoy the long ones much more.—Roy K. Moulton in Akron Beacon Journal.

Turns Over Fines
 The mayor made his monthly settlement with the city Monday turning over \$220.40 collected as fines during February.
 The city wharfmaster's receipts for the month amounted to \$145.33.

Mother Is Pleased
 Mrs. Emma Craig, accompanied by Humane Officer Judge Ball was permitted Sunday to call at the home of Mrs. Emma Mefford and spent a short time with her son. She was pleased with the condition in which she found him and according to Judge Ball she has become reconciled to the change.

Animal Jingles
 FOR LITTLE FOLK
 BY ALICE CLAY GALE
CAN YOU GUESS IT?
 How many guessed the animal I told of yesterday?
 Really quite a number I expect.
 Perhaps you've never seen one, but have read of them in books,
 So if you guessed the BEAVER, you're correct.

The animal I'll tell you of today is very queer,
 It's something like a mouse, but it has wings,
 And then again, one might say, it is something like a bird,
 Except this little creature never sings.

It does not like the sunlight, but hides away all-day,
 In hollow trees, and in dark old church towers,
 And then when evening comes along, this funny little thing
 Comes out and flies around for hours and hours.

Its food is insects (I suppose you know what insects are),
 And here's another most peculiar thing,
 When winter comes this creature finds a cozy hollow tree,
 And hangs head down, inside it, until spring!

This seems to me right difficult—I really don't believe
 A boy or girl could do a thing like that;
 At any rate, don't try it, or perhaps you'd come to grief,
 For you are not constructed like a B—

Oh, mercy me! I nearly told the little creature's name;
 I guess I'd better stop before I do.
 You think right hard about it, and tomorrow I will try
 To have another animal for you.

Copyright 1915 by The Central Press Association

Staunch Supporter Of American Flag

MANY WERE BAPTIZED

Editor Times:
 Ancient matter of foreign ships flying our flag, or malusing it on the high seas. The truly patriotic American loves his flag for what it represents. Those who followed it from '61 to '65 know more about what it cost to keep it aloft than others. The Spanish-American boys who went out to to avenge the insult to Old Glory at the masthead of the "Maine," and to offer the protection of our flag to the oppressed Cubans can tell the indifferent younger generation something of what the flag is worth. The boys and girls who properly observe "Flag Day" on June 14 every year are learning to love it. They hate it and would trample it under foot is a traitor and a coward. In the Baltimore Sun I find the following verses. The poet has well expressed the sentiment:

Better Let That Flag Alone!
 They may mark their neutral channels,
 They may map their battle zone;
 They may tear their scraps of paper,
 They may break what laws they will.
 We can stand a lot of rubbish,
 And be sweet and patient still—
 But they better let that flag of ours alone!

They may scrap and quarrel and bluster,
 They may storn and sweat and hone;
 They may pulverize each other
 And may steal each other's bone.
 They may submarine and mine 'em,
 They may call us foe or brother—
 But they better let that flag of ours alone!

D. P. PRATT.

Quiet In Windy City

Ed Flannigan, a well-known former Portsmouth shoemaker, who for the past year or more has been employed in Chicago, returned home Monday. He reports the shoe industry quiet in the Windy City.

Cellars pumped out, 10 cents per hour. Walters Plumbing Co. adv.

MEAT CAUSE OF KIDNEY TROUBLE

Take a glass of Salts if your Back hurts or Bladder bothers—Meat forms uric acid.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then be fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, then to neutralize the acids in urine, so it is no longer irritating, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, and makes a delightful after-dinner lithia-water drink.

CITIZENS SHY AT SERVING ON PROBE COMMITTEE

Star Stands Pat On Charges; So Do The Accused

Difficulty in securing citizens to serve on a probe committee bids fair to retard the proposed investigation of the charges made by the Morning Star against Dr. Jos. Lake, city service director.

Dr. James W. Fitch and Wade S. Kennedy, two of the persons named by Mayor Frick have both declined to serve and Harry Strong, the third member of the committee named, has not given his answer or been heard from but is expected to serve.

The mayor was disappointed over the refusal of the others to accept appointment on the committee but said he could readily understand why a physician and in fact most any other person would prefer not to get mixed up in the affair. He regrets it because he believes that the public would have been well satisfied with the findings of the first committee named.

The mayor hoped to have a new committee named before the day was over.

PURPOSE OF INVESTIGATION

The mayor said the purpose of the investigation was to determine what foundation there is for the charges made and if they are proven groundless it will be followed by a legal action, while if proven true he will act immediately as he will never countenance anything unlawful.

The mayor said that just as soon as his committee had been named and the members got together he would insist upon the investigation beginning at once and that he would provide a meeting place which would probably be the city council chamber.

WILLING FOR COUNCIL TO ACT

He said there is a question of the mayor removing the director from office or suspending him that a legal form of procedure is provided but no formal charges have been filed with him against the director. He was willing to follow any course even to permitting city council to name a committee and pass upon the charges in order to satisfy the public mind.

Dr. Fitch declined to serve for obvious reasons, declaring that with the great amount of practice he has had at the hospital he much rather preferred to act as a witness rather than as judge.

Mr. Kennedy declined because of press of business having made all arrangements to leave this evening for Columbus to meet the Columbus representative of the Irving Drew Shoe company.

The Star in its morning issue comments as follows:

RESENTS STAR'S ACTION

"The mayor seems to think he has a personal grievance against The Star, and that it is his duty, not to get at the true state of affairs, but to shield his appointees and to discredit The Star. Up to this time The Star has done nothing more than to demand an investigation and to ask the resignation of the safety director. In this there was nothing, either directly or indirectly, against the mayor. No blame can be attached to him unless he shall attempt, not an investigation, but a white washing.

"The Star hopes that a committee will be appointed that will have full legal powers and that it will go ahead with the honest determination to get at the bottom of any misconduct which may have occurred. It will be the part of every good citizen to help with this work and to give any information in their possession. The Star will gladly co-operate with such a commission and will give it all the aid in its possession.

CONTRAST IN TREATMENT OF CHARGES

"Not many weeks ago a jealous husband, separated from his wife, complained to the mayor that his wife was 'running with other men.' The mayor thought sufficient of this complaint, although no affidavit was filed and no specific charges made to order the police to investigate the woman's conduct. It was found to be irreproachable and the policeman sent to investigate said he never felt more ashamed in his life than when he intruded upon a scene of happy domesticity at the order of the mayor.

"With such action in such a case it would seem that the mayor might have paid attention to letters of complaint, rather than to have turned them over, or rather covered them up, to those against whom complaint was made.

NOTHING TO REGRET OR RETRACT

"The Star has nothing to regret and nothing to retract. It is satisfied that an honest investigation, fairly conducted by a commission having due authority, will result in much good.

"The mayor should be interested not in 'getting back at' The Star, but in seeing that his administration is like Caesar's wife, above suspicion. The Star has but voiced the rumors, and more than rumors, which have been rife in the city for months. If Mayor Frick has not heard them, he is about the only man in Portsmouth who has not, and it is time that he did.

"The Star did not act until it believed action justified and necessary, and it is willing to aid in any investigation made by any committee having proper legal authority, so that its actions may be of some effect.

"As for The Star, it is afraid of no libel suits, nor threats, nor boycotts. It intends to keep hammering away until the city government is thoroughly investigated, and fumigated if need be. The Star has the goods."

SENTENCED FOR LIFE, MUST SPEND PERIOD IN SOLITARY CONFINEMENT

Columbus, March 2.—Alexander Kish, serving a life term for murder yesterday began his first cycle of a remarkable punishment. Already denied the right of association of free men, he will spend the next five days in oblivion, as an inmate of the isolated cell block, where the "solitary punishment" is carried out.

And this is but the beginning of days of complete banishment for Kish. For the rest of his natural life, according to the sentence imposed by Judge James Platt, of Seneca county, Kish must pass the first five days of each month in solitary confinement.

On December 5, 1914, Kish was convicted of the murder of Katherine Myers, an aged Seneca county woman who was beaten to death and her home robbed.

As the murder was committed on the fifth of the month and so that it will be continual reminder of the crime, the judge ordered Kish to spend the first five days

of each month in solitary confinement.

This is the first time in Ohio, as far as can be learned, that such a sentence has been passed on a convict.

Ready March 15

A. Kline of the Fashion Emporium Company, stated Monday that the firm expected to be in its new room at Gallia and Gay streets March 15th. The contract for the new plate glass front will be let in a day or two.

Machine Balked

Oscar Emmett and Harry Knost made a trip to Waverly Sunday on their motorcycles. On the return trip Knost's machine broke down, and he had to be towed into the city by his companion.

PIANOS, PLAYER PIANOS

At close prices for quick sale. Big stock at Crookbaum's, 1921 Fourth street.

Health Board Held Spirited Discussion, Where Is Assistant

The board of health at its monthly meeting Monday afternoon was plunged into a rather spirited discussion on the milk situation in Portsmouth when Dan Labold, a member, wanted to know why milk was retailed cheaper in Cincinnati than it is in Portsmouth. Mr. Labold stated that milk sold for nine cents here and it could be purchased for 8 cents in the Queen City. This evoked a general discussion in which many opinions were expressed about the milk situation here. Mr. Labold did not insinuate that there was a "combination" among the dairymen of the city and county, but that it was singular that one could buy the lactical product cheaper in Cincinnati than in a smaller city.

Mr. Linck said that different qualities of milk were sold here, and that is the chief reason why milk sold for nine cents. He stated that he paid ten cents for milk and he got a high grade of it. He also stated that he understood that milk in Ironton and Chillicothe retailed at a higher price than in Portsmouth. Dr. A. L. Test stated that the price received in Cincinnati had no bearing on what was asked by local dairymen anymore than local farmers would sell their potatoes for what Cincinnati dealers were paying. Dr. Test laid great stress on the fact that should be exercised in handling milk, rather than on the price. He said it was a mistake to feed milk to a baby that had stood all day in a pan. He also advanced the theory that when Front street was paved and the flood wall extended to Officers street, much of the dirt that settles over the city would be eliminated, and Front street east of Chillicothe was always either very muddy or dusty, and once paved a source of infection and contamination would be removed. He expressed the opinion that dairymen, as a rule, kept their places clean, but he was told of one man who has been furnishing milk of late, whose barn and dairy were in an unsanitary condition.

No Milk Trust Exists Here

Capt. James Smith felt like Dr. Test did about the matter. He did not believe that a milk trust existed in the city and that milk retailed for 10 and 11 cents was worth it. Health Officer Dr. Smith said he paid ten cents for his and he got a fine grade of milk. City Bacteriologist Dr. Walter Daehler stated that while milk may sell as low as eight cents in the city a certified grade of milk sold for as high as fifteen and eighteen cents. A motion was made to have the committee on dairy products look into the matter, and it carried. The committee is composed of Test, Linck and Fetter.

Mr. Labold then brought up that bugaboo, the city assistant physician question, again. He wanted to know who called off Dr. W. A. Quinn after it was announced that he would be paid out of a private fund. "This matter makes the board look ridiculous," said Mr. Labold. He stated that if there was no necessity for an assistant now, there never had been, and somebody was afflicted with "cold feet." Dr. Test said that a member of the board had stated that the assistant city physician appointment had better "be held off," and that was the last he heard of it. Dr. Test stated that he thought there was need for such a person, and that he for one was willing to dig down in his pocket and help pay the assistant's salary rather than be called out at all hours of the night to make calls for which he knew he would not receive a cent.

Came In After Discussion Ended

City Physician Wendelken came in just after the discussion had been concluded. As persons who were credited with making statements on the matter were not present on the question of who called off Dr. Wendelken's assistant was allowed to go over until the next meeting. Mr. Labold said he regretted the situation and that it served to discredit the board with the public.

Dr. W. W. Smith then read a report of the annual meeting of the State Health Board, which he attended in Columbus. It was comprehensive in character and Dr. Smith was highly complimented by the board members for the efficient manner in which it was presented.

The schedule, amounting to \$361.75, was allowed.

Members of the board expressed sincere regret over the serious illness of Dr. Fetter, an active member of the board, and Clerk Berndt was authorized to draft a resolution regretting Dr. Fetter's condition and to wish him a speedy recovery. A copy of the resolution is to be sent to Dr. Fetter's relatives.

The report of Dr. W. W. Smith, health officer, for February, showed that he attended to nine cases of contagion during the month, seven of diphtheria and two of scarlet fever. One death had resulted from diphtheria and at the present time there is but one case of contagion in the city.

The hog question is one that is causing the health officer much concern at present, he reporting that a large number of local people were purchasing hogs and installing them in pens in this city. He advised that strict compliance with the regulations of the board would be insisted upon in every instance.

City Physician C. W. Wendelken reported that he had made 246 house visits and attended to 73 office calls, handled 2 obstetrical cases and performed one surgical operation during the month.

City Bacteriologist Makes Report

City Bacteriologist Dr. J. W. Daehler submitted his report as follows: Bacteriological examination of throat swabs, 7; bacteriological examination of cerebro spinal fluid, 1.

Plumbing Inspector Arthur Hunsch submitted the following report: Inspection of new systems, 4; inspection of old systems, 29; inspection of extensions, 10; complaints investigated, 27; final inspection, 1; total inspections, 101; alterations, 3; old buildings connected to sewer, 6; new buildings connected to sewer, 2; specifications examined and approved, 23; permits issued, 22; amount received for permits, \$46.60; clean vaults, \$2.50; digging vaults, \$2.00; total, \$51.10. Mr. Hunsch submitted a new bond, which was approved.

Plumbers Submit License Bonds

The following plumbers submitted license bonds, which were approved: Saunders-Watrous Company, Charles P. Stamm, J. W. Taylor, Joseph Loviner, Charles Barlow, John Bergen, Doerr Plumbing Company, Walters Plumbing Company, K. N. De Long, Henry Cooper, Charles Seely, Fred E. Doerr, Stevens & Youngman, C. H. McCarty, Thomas W. Watkins, The Trisheller Company and Schmidt-Watkins. All members voted to approve the bonds except Mr. Labold, who voted in the negative. He suggested that all bonds should be carefully inspected before being approved. All the firms have been in business and other members of the board felt that the bonds submitted were beneficial. The plumbers will all be granted new licenses.

Clerk John Berndt filed his annual report with the board, which showed an aggregate expenditure of \$4515.20. Deaths for the year numbered 440 males, 246 females; 194; whites, 412; blacks, 28. Births, 836; males, 308; females, 328; whites, 621; blacks, 15. The death rate was 14.66 per thousand and birth rate of 21.20 on the thousand, estimating the population of the city at 30,000.

The city physician made 2460 house visits and attended to 377 office calls; handled 29 obstetrical cases, and performed 19 operations.

Inspections by plumbing inspector, 269, new work; 136, old work; 123 extensions; investigated 270 complaints; made 259 miscellaneous inspections; 117 final inspections; a grand total of 1240 inspections. He found 140 deficiencies, all of which were remedied. He collected \$963.25 for permits; approved 321 specifications of plumbing; issued 171 permits for construction and cleaning of vaults.

One hundred and thirty-seven inspections were made by the dairy and milk inspector, resulting in the revocation of seven licenses.

WITH THE SICK

David Williams, who has been so seriously ill with pneumonia continues to make satisfactory strides toward recovery. His left lung, which was affected has practically cleared up and he is almost out of danger.

Cellars pumped out, 10 cents per hour. Walters Plumbing Co., adv.

CRUSADE ON MINORS

Police Capt. Grant Cooper made the rounds of pool rooms and saloons Monday night to renew a crusade against minors visiting such places.

Notice was served on all proprietors not to permit minors to visit their places, the law barring youths under 18 years of age from patronizing pool rooms. A dozen saloons were visited by the Captain, but no minors were found in any of them.

Steel Plant Happenings

George McClure, of the Whitaker-Glessner Company, is in Columbus on business.

Stanley Hopkins is making a swing through Northern Ohio in the interest of this firm.

Cary Williams, a stenographer, is back to work in the offices of this company after a week's illness with grip.

Develops Pneumonia

Henry McCarty, aged 38 years, a laborer, of 224 McKinley avenue, Columbus, developed pneumonia at the city police station Monday and was removed to Hempstead hospital Monday evening, after having first been warranted over to the county authorities. McCarty had been to Ironton in search of employment when taken ill, and started back home, but upon his arrival here, his condition had become worse. He was given lodging in the city prison and it was found Monday that he had a high fever. Dr. W. W. Smith was called to attend him.

McCarty has two children at Columbus, but his wife is dead. He formerly worked for public contractors in the Capital city.

ASK SEPARATE TRIALS

Los Angeles, March 2.—David Caplan and M. A. Schmidt, who have been held to answer murder charges in connection with the destruction of the Times building here, in 1910, will demand separate trials, according to their attorney.

Harrisonville Happenings

Harrisonville, O., March 2.—Dr. J. B. Hay, aged 60 years, who is one of the best known physicians of Scioto county, is gradually sinking at his home near here.

Miss Anna Parks has taken a position as operator in the Farmers' telephone exchange here.

The baby daughter born to Henry Rase and wife Saturday has been named Irma.

Mrs. Vina Shuter and Miss Anna Parks were entertained at dinner Sunday at the home of Mrs. Bertha Crull.

D. E. Neary and brother, John Neary, of Wellston, are spending a few days visiting relatives and friends in this village.

Mrs. Esby Boile, of East Portsmouth, is visiting her father, Sylvester Keller, of this place.

Wm. Rieckey and Orley Shuter have returned from a business trip to Washington, C. H.

SEEKS TO RECEIVE WILL OF MARTHA WASHINGTON

Washington, March 2.—Attorney-General Pollard, of Virginia, has asked the supreme court of the United States for leave to file a suit in behalf of the state against J. P. Morgan to recover Martha Washington's will.

The state of Virginia contends that J. P. Morgan, who inherited the will from his father, has no title to it and that he has refused to return it.

Henry Davis Released

The county commissioners Monday ordered the release of Henry Davis, of McAdams, who has been in the county jail for several days on a charge of disturbing a public meeting. His friends arranged to pay his fine.

Contract Awarded

The contract for roofing the new Sunday school building of the German Evangelical church, and for looking after the sheet metal work in it has been awarded to Contractor William Hane, of this city.

AUTO TRUCK STRUCK BY A STREET CAR

An auto truck belonging to Reilly Bros., commission merchants, was considerably damaged when a Hill-top street car crashed into it at Fourteenth and Findlay streets Tuesday morning.

Ben Reilly was driving the truck and had just left Walter A. Doerr's grocery and was crossing the tracks' creamery, butter, lemons, apples and other produce were strewn under the street car and all over the street.

Mr. Reilly kept his seat and escaped injury. Some glass was broken out of the front end of the street car.

APOLOGY MUST COME FROM SUSPENDED PUPIL

Charles Pirrung, suspended high school student, will have the opportunity to return to high school next Monday, providing he makes an acceptable apology to Superintendent Frank Appel before the entire student body.

The case of Ben Anson, the other youth under suspension, was continued until the next regular meeting of the board. The other ten students suspended for one week last Monday morning, returned to school yesterday morning.

For three hours and one-half the members of the board wrestled to secret session behind closed doors over the cases of the two youths. It took less than five minutes to ratify in public session what they had decided upon in secret caucus.

One member, J. I. Hudson, voted against Pirrung's re-instatement, and made a vigorous speech against it. He said in part: "The boy did not display the proper attitude toward the superintendent and principal. He came out of the room with a sneer on his face as though he had put something over them. If he is admitted into the high school again, you are going to have more trouble with him. He will come back as a hero, and the example will be a bad one for the school. I am willing to give any boy a second chance who shows that he is genuinely sorry and willing to admit his fault. This Pirrung boy has not done."

George D. Seudder, who offered the motion to reinstate the lad, said, "I have no answer to make to Senator Hudson's remarks. I only know that I am acting conscientiously in the matter."

Mr. C. B. Nourse, who seconded the motion, said: "I agree with Mr. Hudson that we will not be doing the high school any good in reinstating the boy; in fact, I think we will be doing it harm. But we may be doing the boy a good turn."

President E. C. Jackson, before putting the question to a vote said: "From the boy's actions this evening, I do not believe that he will ever give a sincere apology, but I am willing to give him the chance."

When the vote was taken, Messrs. Jackson, Purdum, Seudder and Nourse voted in favor of reinstatement and Mr. Hudson against it.

It developed after the secret meeting that the Pirrung boy had been given an opportunity to apologize to the superintendent during the meeting, but that he refused to take advantage of it. His actions prompted Superintendent Appel to state in the open meeting that he was not going to make any further effort in behalf of him. It was Superintendent Appel who paved the way for the meeting Monday evening.

Young Pirrung was accompanied by his parents, Mr. and Mrs. John S. Pirrung, of Sixth street. They were in session with the board, superintendent and principal for one hour and a half.

Mrs. Benjamin Anson, mother of Ben Jr., and three other relatives were with him while he was being examined by the board.

The building and repair committee of the board was authorized to enter into a contract with some one to cut down the terrace at the high school grounds.

Chairman Seudder of the building and repair committee reported that the committee had changed the specifications for the roofing of the Garfield school building from the Johns Manville kind to the Barrett kind, which will mean a saving of \$100 for the board. He also reported that the committee had decided upon range toilets instead of individual toilets for the Garfield building. The former flush automatically every half minute. The committee was upheld in both instances.

It was nearly midnight when the board adjourned to meet Friday evening, March 12, when Mr. Purdum will introduce a resolution for the two sessions per day plan for the high school.

Must Road the Future

He says that the manufacturer who is able to accurately gauge the situation ahead must not only be something of a fortune teller, but by duly preparing for the business that necessarily exists and which for a season will run close to one quarter of a billion dollars, could easily make a fortune for himself.

Secured License

A. B. Di ener took out a city license Monday to operate a pool room in the Maxwell building on Gallia street.

Mr. Selby Tells About The Styles

The weekly shoe letter in the Cincinnati Enquirer Monday contained the following reference to Mark W. Selby, secretary of the Selby Shoe Company of this city: "Mark Selby, prominent manufacturer of women's shoes in this state, whose output runs into many thousands pairs per day, in commenting upon the bearing which styles in women's footwear will play upon the manufacturer's ability to gather up volume business on advance orders, claims that the situation, as it exists today, is one that is harder to solve or figure out ahead than any which has confronted the manufacturers in previous years."

The same situation exists for the spring and summer season where the manufacturer desires to prepare himself to supply the needs of shoe merchants on duplicate and rush orders. Just what styles in pumps and Oxfords should be made up thousands of pairs lots during the next few weeks for sure sale during the few weeks succeeding is said to be a puzzle to those manufacturers doing this class of business in a large way.
